5. REMOVAL OF TWELVE PALM TREES AND TWO CANOPY TREES FOR THE DWIGHT AVENUE STREET IMPROVEMENT PROJECT

Urban Forester Filiar introduced this item. He confirmed that anytime there are more than four trees within a quarter block radius, the City must get approval from the Park and Recreation Commission to remove them. He confirmed that businesses and property owners surrounding

the area have been informed and no negative feedback has been given.

After discussion, Commissioner Cardullo made a motion to accept the removal of trees for the Dwight Avenue Street Improvement Project and to plant new trees if space is available.

Senior Engineer Alex Ramirez, who is leading the project, confirmed square footage of the project and stated space will not be available to plant new trees. He also confirmed letters were mailed to residents; a few calls were received for clarification, but all in favor of the project.

After discussion, motion stands with the understanding that space will not be available to plant new trees.

Motion: Cardullo
Second: Friedlander
Ayes: All

Vice Chair Iverson joined the meeting at this point, at 6:47pm.

6. 2021 SUMMER EVENTS AND PROGRAMMING

Recreation Superintendent Lopez introduced this item. She confirmed that parks, community centers and amenities are open and confirmed that traditional summer programming is in full effect. This summer's activity guide is in mini-form but still full of programming for all to enjoy. She mentioned masks are required for all non-vaccinated park patrons.

Commissioner Engles ask if proof of vaccination will be verified.

Recreation Superintendent Lopez confirmed that all park patrons are on the honor system as proof of vaccination isn't permitted.

After discussion, a motion was made to accept the report for file.
