ADOPT 2020 URBAN WATER MANAGEMENT PLAN

Following discussion, it was moved by Councilmember Fierro and seconded by Councilmember Perry to (1) add to Section 6.2.10 of the Urban Water Management Plan as follows: Riverside Public Utilities recognizes the unique challenges and opportunities confronting the City of Riverside as climate impacts worsen. Riverside has adopted the Envision 2025 Strategic Plan to provide direction in adapting to these changing conditions. As part of these efforts, the City's Office of Sustainability in conjunction with Riverside Public Utilities, where legally permissible, will evaluate current climate conditions impacting or being impacted by the City's water supply such as temperature, pollution and carbon sequestration benefits resulting from tree canopies, greenspaces and tributaries to the Santa Ana River. This evaluation will inform decision makers on what steps are needed to maintain or increase those climate assets and how increases or decreases in irrigation affect the environment. These efforts will assist in evaluating how water can be managed to adapt to climate changes and help inform the City's sustainability and water management policies; (2) adopt the 2020 Urban Water Management Plan; (3) direct staff in conjunction with the Office of Sustainability to conduct public meetings and workshops that will provide updates and amendments where appropriate to the Urban Water Management Plan, the Water Shortage Contingency Plan, and the Water Conservation Ordinance; and (4) return to the City Council in 9 months in light of the emerging drought conditions across the state and western region. The motion carried unanimously with Councilmember Conder absent.

ADOPT 2020 WATER SHORTAGE CONTINGENCY PLAN

Following discussion, it was moved by Councilmember Perry and seconded by Councilmember Fierro to adopt the 2020 Water Shortage Contingency Plan. The motion carried unanimously with Councilmember Conder absent.
