Manufacturing & Aerospace

- 829 Apprentices Registered since 2018
- 191 Active Apprentices
- 11 Active Occupations
- 72 employers within the Inland Empire

Industry-Led

AN ADMINISTRATIVE STRUCTURE FOR APPRENTICESHIP INSTITUTES

- Employers determine a set of regional apprenticeship standards.
- A system-designated program intermediary registers the apprenticeship standards on behalf of the employers.
- Education institutions provide baseline services to apprentices and applicants in cooperation with the program sponsor and employers.
- COEs, WDBs and CBOs provide pre-apprenticeship programs in cooperation and linkage with the hub.
- Industry engagement specialists and organizations link regional employers with the programs.
