based in history**

What is CRIISC?

WE NEED YOUR HELP!

We are busy working on our next exhibition celebrating the Deaf community and we are looking for stories!

- Did you attend or teach at CSDR?
- Do you know someone that made an impact in the region?
- Do/Did you live in the Inland Empire?
- Have you been involved with Deaf communities in the I.E.?
- Are you from a Deaf family in the I.E.?

Tell us your story!

Fill out the form so we can proudly share stories of diverse individuals within the region's Deaf community.

ATOMIC HANDS

Our Upcoming Exhibition

An Exciting Partnership

A grassroots organization dedicated to uplifting Black Deaf voices through education, advocacy, and community storytelling.

ATOMIC HANDS

A Deaf-led organization that makes STEM education accessible and engaging through visual storytelling, bilingual resources, and hands-on programming.

A regional center for education and action focused on civil rights, social justice, and preserving local history through community engagement.
