**DISCUSSION:**

Staff is requesting City Council to consider allocating the 2020 PLHA funding to Kingdom Causes, Inc. dba City Net case management and The Aspire and Sunrise at Bogart affordable housing projects.

**Case Management - \$1,384,133.83 Subrecipient Agreement**

The City procured Kingdom Causes, Inc., dba City Net (City Net) under Request for Proposal (RFP) 1975 for case management of the City's rental assistance program.

When the City began operating a rental assistance program with one case manager, there was a need to procure additional case managers to support the increasing rental assistance program caseload. The City was able to use RFP 1975 to contract with City Net for additional case managers that would provide wrap around services to assist clients with obtaining housing stability and self-sufficiency.

The following is a list of contracts that the City contracted with City Net for the case management that will be reimbursed through the 2020 PLHA grant.

<b>Contract</b>	<b>Execution Date</b>	<b>Activity</b>	<b>Funding Amount</b>
Professional Consultant Services Agreement (PCSA) – RFP 1975	April 9, 2020	2 fulltime case managers	\$237,640.00
Second Amendment to PCSA – RFP 1975	February 1, 2022	4 fulltime case managers	\$407,637.80
Third Amendment to PCSA – RFP 1975	April 23, 2024	4 fulltime case managers	\$151,521.69
PCSA – RFP 2278	April 17, 2024	4 fulltime case managers	\$454,792.96
			<b>\$1,251,592.45</b>

The attached PLHA Subrecipient Agreement will cover the previous expenditures of \$1,251,592.45 and \$132,541.38 for the period of 1/1/2025 to 4/30/2025, bringing the total PLHA case management expenditures to \$1,384,133.83.

## Sunrise at Bogart - \$380,562 PLHA Loan

On March 14, 2019, the City of Riverside Housing Authority received an over-the-counter application from Neighborhood Partnership Housing Services (NPHS) to build 15 tiny cottages plus a small office building on Housing Authority property located at 11049 Bogart Avenue in the La Sierra Neighborhood; a community that would provide housing for chronically homeless individuals coupled with case management. Upon consultation with the Planning Division, the proposed community was expanded to 23 units (22 affordable and one unrestricted managers unit). The affordable housing units will be made affordable to households earning at or below 30% of Riverside County Median Income for a 55-year period (\$21,550 annual income for a one person household).

On March 11, 2025, staff requested City Council approve allocating \$1,440,000 of Prohousing Incentive Pilot Program funding to Sunrise at Bogart, L.P to cover predevelopment costs.

Staff is requesting to allocate \$380,562 of PLHA funds to Sunrise at Bogart, L.P. to fill the project's funding gap. The total development costs for the Sunrise at Bogart project is \$20,030,712.

## The Aspire – \$501,887.75 PLHA Loan

On June 1, 2018 and March 14, 2019, the Housing Authority issued Request for Proposals for the development of 3861 - 3893 Third Street for an infill residential project benefitting termed out

foster youth and homeless youth. This project was conceptually developed in partnership with the Housing Authority of the City of Riverside, Riverside Community College District, County of Riverside Workforce Development, Riverside County Housing Authority, Alvord Unified School District, and Riverside Unified School District. Innovative Housing Opportunities (IHO) was deemed the highest scoring response to Request for Proposal 18-03 with a proposal to develop a 32-unit multifamily affordable housing project for termed-out foster youth and homeless youth located at 3861-3893 Third Street (Project).

On August 6, 2019, the Housing Authority Board approved Resolution R-14 supporting IHO's funding application to the State's Multifamily Housing Program and a Purchase Option Agreement with IHO in order to establish minimum site control necessary to apply for State housing funds. On April 7, 2020, the Purchase Option Agreement was extended 90 days to expire on September 30, 2020. IHO has since formed The Aspire LP as the legal entity that will develop the Project.

On December 15, 2020, the City Council adopted a Resolution supporting The Aspire Project and The Aspire, LP's funding applications to the California Department of Housing and Community Development, to the California Tax Credit Allocation Committee, and to the City for up to \$459,981 in HOME Investment Partnerships Act funds for the development of the Project.

On January 12, 2021 the City entered into a loan agreement with The Aspire L.P. for \$541,019 of the 2019 PLHA funding.

On September 16, 2021, the City and The Aspire, L.P. execute a First Amendment to PLHA Loan Agreement to provide the developer with additional time needed to secure additional financing for the Project, which resulted in updating Schedule of Performance – Attachment 4.

During the final phases of construction, The Aspire, L.P identified a funding gap of \$501,877.75 because of increased material and insurance costs. The total development cost of the project is \$25,514,019.07. To fill this funding gap, staff is recommending a Second Amendment to PLHA Loan Agreement to increase the PLHA funding allocation by \$501,877.75, bringing the total PLHA loan amount to **\$1,042,906.75**~~\$1,053,906.75~~.
