RECOMMENDATIONS

That the City Council:

1. Authorize the acceptance of three (3) grant awards in the combined amount of \$6,209,870, under the 2024 Highway Safety Improvement Program (HSIP) Cycle 12 Program as administered by the California Department of Transportation (CALTRANS) for the construction of 160 new traffic signal controllers, installation of pedestrian median fencing, audible pedestrian push button systems, high visibility crosswalks, multi-way stop sign compliance improvements, and construction of Class II buffered bike lane enhancements along Van Buren Boulevard from Arlington Avenue to Magnolia Avenue;
2. Authorize the City Manager, or designee, to execute any and all agreements and related grant documents with the California Department of Transportation, including making minor and non-substantive changes and executing agreement amendments and extension, subject to the availability of budgeted funds;

9

RiversideCA.gov

9

RECOMMENDATIONS

3. With at least five affirmative votes, authorize the Chief Financial Officer, or designee, to record an increase in grant revenues and supplemental appropriations in a total amount of \$6,209,870 in the Capital Outlay-Grants Fund, in various capital project revenue and expenditure accounts as outlined in the fiscal impact section of this report; and

10
