**SUBJECT: REVIEW OF COMMUNITY SUPPORT GRANT PROGRAM APPLICATIONS AND
VOTE ON SELECTION OF GRANT AWARD RECIPIENTS**

ISSUE:

Review of Community Support Grant program applications and selection of three grant award recipients.

RECOMMENDATIONS:

That the Human Relations Commission:

1. Review the Community Support Grant program applications received; and
2. Vote on the selection of the three grant award recipients to be funded; and
3. Forward to the City Council for approval to award the Community Support Grants to the selected applicants.

BACKGROUND:

The City of Riverside Human Relations Commission (HRC) held a discussion at the monthly Commission meeting on October 28, 2021, in which members provided feedback on an earlier request from Commissioner Barth to submit allocation proposals for the remaining \$5,000 in HRC funding on various community facing initiatives within the City of Riverside. Commissioner Ayra proposed that \$3,000 of existing funding be allocated towards Community Support Grants to invest in non-profits, community-based organizations, and community organizations that were furthering the mission of the HRC within the City of Riverside.

On March 24, 2022, Commissioners voted to create a separate Ad Hoc Committee, comprised of Commissioners Ayra, Scoggins, and Shirley, to plan and implement the Community Support Grants. The Ad Hoc Committee developed the grant application and grant rubric, as well as brainstormed marketing and outreach efforts to make the application accessible to as many Riverside community members and organizations as possible. A proposal was presented to the HRC and approved to move forward with a presentation to the Inclusiveness, Community Engagement and Governmental Processes Committee for review and a request to forward recommendations to City Council for approval and initiation of the program.

On February 1, 2023, Ad Hoc Committee Chair, Ayra presented the proposed Community Support Grants Program to the Inclusiveness, Community Engagement and Governmental Processes Committee with a recommendation that the Committee forward recommendations to the City Council for approval and initiation of the program. Following discussion, the Inclusiveness, Community Engagement, and Governmental Processes Committee, with Chair Cervantes and Member Conder present, voted to recommend that the City Council approve the initiation of the Community Support Grant Program.

At the May 2, 2023, City Council meeting, this item was pulled from the Consent Calendar by Councilmember Perry for discussion, and a motion was made to bring this item to a future City Council meeting with additional details added to the application and approval process for clarification.

On June 6, 2023, an update was provided to the City Council that included the additional details requested added to the application and approval process. The City Council approved the initiation of the Community Support Grant program by the Human Relations Commission in partnership with Riverside's Neighborhood Engagement Division, for up to three \$1,000 grants annually to nonprofits, community-based organizations, and community organizations.

At the HRC meeting on July 25, 2024, as part of the annual budget allocation discussion, the commission voted to allocate \$2,000 of its fiscal year 2024/2025 budget towards the Community Support Grant program for 2025.

DISCUSSION:

The Community Support Grant program aims to have an accessible, transparent, and accountable application process, open to as many community organizations and groups in the City as feasible within financial and reporting guidelines. In efforts to encourage applicants to submit, Commission members engaged with various community groups and organizations across Riverside. Efforts to promote the grant opportunity were made by handing out flyers, sharing on social media and attending community meetings where the information was shared.

The application period for the 2025 Community Support Grant opened on January 6, 2025 and closed on February 3, 2025. Nine applications were received by the City Manager's Office. After an initial review by the Grants Ad Hoc Committee, applications for the five programs listed below were recommended to move forward to the entire HRC in the selection process.
