Section 1.16.010 Findings.

A. The City Council of the City of Riverside finds that public access to campaign disclosure information is a vital and integral component of a fully informed electorate. Transparency in campaign financing is critical in order to maintain public trust and support of the political process.

B. Since the enactment of the Political Reform Act, candidates and committees have complied with filing requirements by filing paper copies of campaign statements and reports. The City has expended a significant amount of staff time to make such paper filings readily available to the public.

C. In July of 2012, the California Legislature approved Assembly Bill 2452 which authorizes local jurisdictions to require the filing of campaign statements and reports solely in an electronic format. The Governor approved the legislation on July 13, 2012 and the law took effect on January 1, 2013 and has been codified as Government Code section 84615.

D. The City finds that by eliminating manual processing of filings, electronic filing requirements will conserve resources and ensure the public has access to information disclosed in campaign statements and reports in a timelier manner. The electronic filing system will operate securely and effectively and will not unduly burden filers.

Section 1.16.020 Purpose.

The purpose of this Ordinance is to require online electronic filing of campaign statements and require online reporting of contributions and independent expenditures regarding elections of Candidates to City offices and the qualification or passage of local ballot measures within the City

as currently required under the Political Reform Act in order to facilitate review and maximize the availability of this information to the public.

Section 1.16.030 Authority.

This Ordinance is adopted pursuant to California Government Code Section 81013 which authorizes local agencies to impose additional requirements on any person so long as the requirements do not prevent the person from complying with the Political Reform Act.

Section 1.16.040 Relationship to the California Political Reform Act of 1974.

This Ordinance is intended to supplement the Political Reform Act, as amended. Unless a word or term is specifically defined in this Ordinance or the contrary is stated or clearly appears from the context, words and terms shall have the same meaning as when they are used in Title 9 of the California Government Code, in which the Political Reform Act is codified, and as supplemented by the Regulations of the Fair Political Practices Commission as set forth in Title 2, Division 6 of the California Code of Regulations (“Regulations”), as well as any amendments to the Act or to the Regulations. If any provision of this Ordinance is held to be invalid, the terms of the Act and its Regulations control and supersede the terms of this Ordinance to the extent necessary to bring this Ordinance into full compliance therewith.
