RECOMMENDATIONS:

That the City Council:

1. Conduct a public hearing and rule on any protests to the Auto Center Business Improvement District assessments and projects for Fiscal Year 2025/26, from September 1, 2025, through August 31, 2026; and
2. Adopt a Resolution confirming the annual report of the Riverside New Car Dealers' Association acting in its capacity as the Advisory Board to the Auto Center Business Improvement District and levying assessments for the Fiscal Year beginning September 1, 2025.

BACKGROUND:

Business Tax Assessment

In early 2011, the City of Riverside (City) worked with the Riverside New Car Dealers Association (RNCDA) to develop a Business Improvement District (BID) in the Riverside Auto Center. An assessment is levied on each business located in the BID and is collected as an additional amount assessed through the City's annual Business Tax collection process. The funds collected from the BID assessment are to be used by the BID for purposes including business promotion activities, advertising, the operation and maintenance of the electronic LED display sign located along the 91 Freeway, and maintenance and repair of the entryway monuments, pods, and landscaping located in the Auto Center. The City Council approved the formation of the Auto Center BID on July 26, 2011, with the assessments effective on September 1, 2011, and codified

in Riverside Municipal Code Chapter 3.49. It was determined that 13 businesses were part of the Auto Center BID, and each business was assessed \$8,000 as an additional assessment on its Business Tax renewal. The Riverside New Car Dealers Association was appointed as the advisory board and is empowered to manage the Auto Center BID.

In 2021, RNCDA proposed a modification to the district boundaries to include four additional businesses and to adjust the assessment amount to \$6,100 per business. On July 20, 2021, a Public Hearing was held to hear and rule on any protests against the proposed action. Following the Public Hearing, City Council approved the recommended modifications and adopted Ordinance No. 7558 to modify Section 3.49 of the City Charter.

The Auto Center BID was formed under Section 36500 of the Streets & Highway Code of the State of California. Section 36533 of the Streets & Highways Code requires that RNCDA prepare a report for each fiscal year for which assessments are to be levied and collected to pay the costs of the improvements and activities described in the report. The City Council may approve the report as filed by the advisory board or may modify any portion of the report and approve it as modified.

Business Improvement District Funding Agreement

On August 15, 2011, the City, the Redevelopment Agency of the City of Riverside (Agency), and the Riverside New Car Dealers Association entered into a Business Improvement District Funding Agreement whereby the Agency would pay RNCDA \$1,000,000 at the rate of \$100,000 per year for services set out in the BID.

On August 26, 2015, the City Council approved a new agreement with the RNCDA to continue the matching funds to help fund the maintenance and operating costs of the electronic sign in exchange for 15% of the daily advertising time on the electronic LED display sign for City advertising. On September 5, 2023, the City Council approved a subsequent agreement with the RNCDA for an additional five years. This Agreement is for an annual amount of \$100,000, is funded from the General Fund, and expires on September 1, 2028.

During the annual levy process for FY 2023/2024, the City Council determined that in order to enhance transparency within all Business Improvement Districts, additional detailed information would need to be provided from the advisory boards. Resolution 24096, approved by City Council on March 19, 2024, outlines the scope of new reporting requirements for the Auto Center BID, effective for all reporting beginning in FY 2024/25.

DISCUSSION:

The Streets & Highways Code mandates reporting requirements that the Advisory Board must follow. These reports are presented to the City Council each year and include items such as: any proposed changes to the boundaries or assessment amounts in the district, the method and basis of assessments, and improvements and activities for the coming year. Based on the 2025/2026 Auto Center BID Annual Report, there are no proposed changes to the boundaries of the Auto Center BID. The current activities and improvements for the upcoming year include advertising, maintenance of the Auto Center electronic sign, and property maintenance. The report details the method and basis of levying the assessment in sufficient detail to allow each business owner to estimate the amount of the assessment to be levied against his or her business. Each business within the Auto Center BID will be assessed \$6,100 per year as an additional assessment on its business tax renewal.

During the City Council meeting on July 15, 2025, City Council adopted a Resolution stating the City's intention to impose the Auto Center BID assessments for Fiscal Year 2025/26, effective September 1, 2025, and to set the public hearing for August 5, 2025. During the public hearing, any interested person may make a protest either orally or in writing and file it with the City Clerk at or before the hearing. At the conclusion of the public hearing, the City Council may adopt a Resolution confirming the Annual Report as originally filed or revised by City Council. Adopting the Resolution confirms the levy of an assessment for Fiscal Year 2025/26.

STRATEGIC PLAN ALIGNMENT:

This item contributes to **Strategic Priority 3 – Economic Opportunity Goal No. 3.1**– Facilitate partnerships and programs to develop, attract and retain innovative business sectors.

This item aligns with each of the five Cross-Cutting Threads as follows:

1. **Community Trust** – The formation of Business Improvement Districts and subsequent Annual Reports provide a transparent and equitable way to finance, administer, and report maintenance and services within the business district area.
2. **Equity** – The Auto Center BID spreads the cost of promoting the Auto Center area businesses to the owners that receive the benefits.
3. **Fiscal Responsibility** – The Auto Center BID supports marketing, promotion, and business and community partnerships within the Auto Center District with minimal use of public funds.
4. **Innovation** – The Auto Center BID is an innovative and collaborative way to support the changing needs of the Auto Center Business District, enabling business owners to guide their destiny.
5. **Sustainability & Resiliency** – The annual levy process provides a way to finance improvements and promotions for businesses within the Auto Center Business Improvement District.

FISCAL IMPACT:

The annual assessment of \$6,100 per business is expected to produce \$103,700 in revenue in FY 2025/2026 for the Auto Center BID. The City collects assessments through the annual business tax process and transfers all collected assessments directly to the RNCDA.

In addition to the assessment revenue, the City has a funding agreement with the Auto Center BID, providing a \$100,000 annual subsidy in exchange for 15% daily advertising time on its LED display sign. The FY 2025/2026 amount is budgeted in the General Fund, Non-Departmental/Finance, Development Agreement Account number 7223000-446000.

The BID's total budget for FY 2025/2026 is \$203,700, comprising \$103,700 from business assessments and the \$100,000 City subsidy.
