BACKGROUND:

The Department of Homeland Security (DHS) offers the Urban Area Security Initiative (UASI) program to enhance regional preparedness in high-threat, high-density areas and provides funding opportunities every fiscal year (FY) to address the unique multi-discipline planning, operations, equipment, and training needs to these areas as it relates to terrorism prevention, protection, mitigation, response, and recovery.

In 2008, DHS identified the Riverside Region as a UASI-qualified area, allowing the eligibility to apply for grant funding. Due to large-scale regional threats, the cities of Ontario and San Bernardino, and the counties of Riverside and San Bernardino were identified as sub-recipients of the grant funding, with the City of Riverside appointed as the Single Point of Contact (SPC)/agency lead. Since 2008, Riverside has led various UASI projects in the region to support the protection of communities from acts of terrorism and has successfully received over \$40 million in grant funding that has been shared among the Riverside UASI agencies.

The Riverside UASI is governed by the Riverside Urban Area Steering Group (UASG), and the Authorized Body of 5 also known as the Urban Area Approval Authority. The UASG is comprised of the Police and Fire Chiefs and Deputy/Assistant Chiefs of the Cities of Ontario, Riverside, and San Bernardino, the County Fire Chief and Undersheriff for the County of San Bernardino, and the Emergency Management Director and Assistant Sheriff for the County of Riverside. The UASG sets the priorities and selects the regional projects which will be funded by the UASI grant. The Authorized Body of 5 is comprised of the City Managers from the Cities of Ontario, Riverside, and San Bernardino, the County Executive Officer for Riverside County, and the Chief Executive Officer for San Bernardino County. The Authorized Body of 5 has the final decision-making authority for the Riverside UASI's funding allocations.

DISCUSSION:

The Department of Homeland Security UASI grant has provided an application and preliminary award letter to the City of Riverside Fire Department in the approximate amount of \$2,894,900 for the 2024 grant cycle. Staff are requesting that City Council adopt a resolution authorizing the grant application and authorize the acceptance of the 2024 UASI funding from the Department of Homeland Security.

If approved, the Riverside UASI and grant sub-recipients will use funding to purchase equipment for Homeland Security enhancement projects throughout the Riverside UASI region. The grant funding may also be used for regional planning, training and exercise activities, regional critical infrastructure assessments, staff salaries, and materials to enhance community resilience.

The Riverside UASI continues to establish the Safety and Tribal Regional Analysis Center (STRAC) that will provide local collaboration and coordination through collection, analysis and dissemination of actionable all hazards information between public safety, tribal nations and private sector partners.
