

Myers Street – Establishment of Timed No Parking Bus Loading Zone

Public Works Department

Transportation Board August 6, 2025

RiversideCA.gov

BACKGROUND

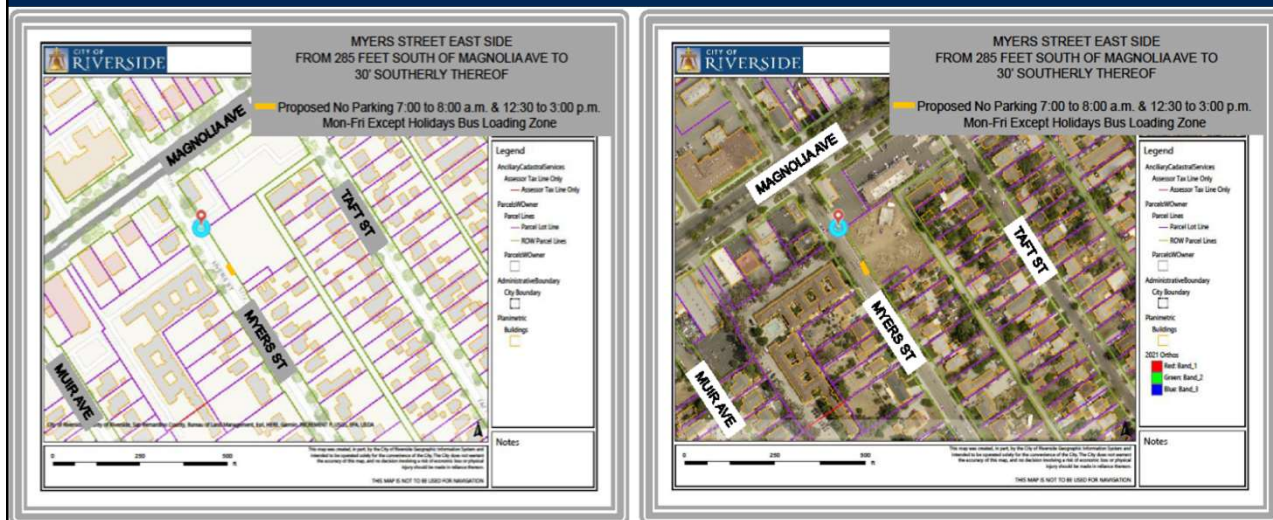

1. The City works with residents to establish various time restricted No Parking Bus Loading Zones to facilitate the regular pick-up and drop-off of special needs or disabled students and/or residents.
2. A request from the resident, parent, or guardian of the special needs or disabled individual(s) is required
3. Requests are considered by the Transportation Board who makes recommendation to the City Council on the matter.

DISCUSSION

1. The Public Works Department received a request from the residents of 3761 Myers Street to establish a timed No Parking Bus Loading Zone just south of the shared driveway which serves 3761, 3763, 3767, and 3769 Myers Street.
2. The zone would provide unobstructed access to curbside loading for a 24-foot school bus which provides special transportation services to and from school during both regular and summer school sessions for the disabled student at the property.
3. Vehicular parking is currently allowed within this area.

4

DISCUSSION - CONTINUED

1. On-street parking at this location is frequently utilized by area residents and/or patrons of nearby businesses.
2. Per the Location Manager from First Student Riverside, their bus drivers regularly encounters parked vehicles meaning the driver has to pull in front of the shared driveway area.
3. Restricted parking during school bus pick-up/drop-off times would provide immediate bus access and facilitate safe and efficient loading/unloading of the disabled student while allowing parking outside of restricted days and times and alleviating impacts to the adjacent shared driveway.
