**RECOMMENDATIONS**

Staff recommends that the Planning Commission:

1. Receive an update and provide feedback to Staff on the ongoing Riverside 2050 General Plan Update and Climate Action & Adaptation Plan project.

**DISCUSSION**

The Planning Division, in collaboration with the Office of Sustainability, have initiated a comprehensive update of the City's General Plan and the concurrent preparation of a Climate Action & Adaptation Plan to guide physical and economic growth and to manage our contributions to and impacts from climate change through the year 2050. The presentation is being given to update the Planning Commission on this ongoing effort and to solicit Commission and Public feedback on the project thus far.
