General Conditions

Please review the General Conditions below and complete them, as necessary. Most of these items are outlined in the Grant Application Guide, Ch. 6 and Appendix B.

- **Board Resolution** – A current (less than one year old) Local Board Resolution, signed by the governing board that includes the grant project title and job title of the person authorized to enter into a contract with Caltrans, is required to be submitted to Caltrans by October 15, 2023.

- **Scope of Work (SOW) and Project Cost and Schedule** (Refer to Grant Application Guide, Appendix B Checklists) These are frequently missed requirements:
 - Project Management stand-alone tasks, staff and/or consultant coordination are not allowed. Project Management activities must be charged to the tasks in which they accrued.
 - Include tasks for a kick-off meeting with Caltrans, invoicing, quarterly reporting, and Board adoption or acceptance.
 - Ensure the deliverable for the consultant procurement task includes: Request for Proposal (RFP), executed consultant contract, and a copy of your agency's procurement procedures.
 - The earliest project start date is January 2, 2024, with an end date of April 30, 2026. The Project Cost and Schedule will need be updated to reflect your proposed start date. At least one Task must extend to the grant expiration date on April 30, 2026.

- **Grant Application Cover Sheet and Project Cost and Schedule**
 - Ensure the grant award, local match, and total project costs are consistent with the award letter amounts.
- **Grant Application Cover Sheet** - Must identify the specific source of cash and in-kind local match funds; and must identify the agency providing the local match.
 - If your agency is using staff time as a cash match, the application cover sheet must identify the source of local match funds for staff time (e.g., General Fund).
 - Direct grantee staff time is not an allowable in-kind match and must be identified as cash match.
- **Third Party In-Kind Valuation Plan, if applicable** - Third-party in-kind contributions consist of goods and services donated from outside the grantee's agency (e.g., printing, facilities, interpreters, equipment, advertising, staff time, and other goods or services). If utilizing third-party in-kind contributions to satisfy the local match requirement:
 - Ensure in-kind contribution information is identified on the Grant Application Cover Sheet and Project Cost and Schedule.

- To clarify, sub-recipient staff time, if reimbursed, is considered cash match. If donating their time, it is considered in-kind.
- Submit a Third-Party In-kind Valuation Plan. The District can provide a copy of the valuation plan checklist and template.
- **Ensure Consistency** - All changes made to the Grant Application Cover Sheet, SOW, and Project Cost and Schedule are made consistently in all documents.

 - If using an on-call consultant list, the process for establishing the list must be competitive and less than five years old (documentation must be provided to Caltrans)
 - If the consultant helped to prepare the Project Scope of Work or grant application, they shall not be considered in the consultant procurement

 - All work must be completed by April 30, 2026.
 - Final RFR/invoice and the final product are due no later than June 29, 2026.
 - The final RFR/invoice will not be processed without the final product
 - An Indirect Cost Allocation Plan/Indirect Cost Rate Proposal (ICAP/ICRP) must be submitted each year to the Inspector General Independent Office of Audits and Investigations for approval.
