Description

The County of Riverside Purchasing on behalf of Riverside County Sheriff's Department Aviation Division is soliciting quotations from qualified vendors to supply Jet-A Aviation Fuel and related additional services for their facilities at the Hemet-Ryan Airport and the Thermal Aviation Hanger as detailed in this RFQ. Jet-A Aviation Fuel and related additional services are required on an as-needed basis. The County may award a contract without negotiation; therefore, bidders should submit their lowest pricing initially. ALL prices quoted should include shipping and handling, delivery, fuel surcharges and/or freight.
