**CERTIFICATE OF APPROPRIATENESS**

The Cultural Heritage Certificate of Appropriateness process applies to historic and potentially significant historic properties and is intended to ensure that the historic integrity of these properties is maintained whenever exterior improvements are made. Municipal Code Title 20 provides the authority and standards of this process.

- All projects should demonstrate compliance with Title 20 and the Historic District Design Guidelines (copies of both documents are available upon request or online at <https://www.riverside.ca.gov/planning/historic-preservation/bookings-historic-properties-and-mile-art-act.aspx>).
- Title 20 outlines when an Administrative or Board Case is required; see Chapter 20.25.
- Please make sure someone with authority regarding property ownership and ability to make decisions is present at the Cultural Heritage Board Meeting (if applicable).
- We will mail our report regarding your application twelve days preceding the scheduled hearing (if applicable).
- Please make sure your application is complete per the following checklist.

**PROCEDURES**

**Administrative Review:** City staff reviews an application to ensure that all of the required information is provided and evaluates the project including a preliminary review of the project's impact to the associated cultural resources. At the end of this 30-day review period, staff provides written comments identifying deficiencies that need to be addressed or deeming the project "complete" to move onto the next phase of review. If the application is complete, your application will be reviewed for historic compatibility and compliance with Title 20 of the Riverside Municipal and the Citywide Historic Preservation Design Guidelines. Within 30 days staff will provide a written determination for the project.

**Cultural Heritage Board Review:** This review mirrors that of the Administrative Review, but the final determination on the project will be by the Cultural Heritage Board rather than staff. Once the application is deemed "complete," staff schedules the application for a Public Meeting before the Cultural Heritage Board. This process usually takes 6-8 weeks. The Cultural Heritage Board meets on the third Wednesday of the month. All legal notices is prepared as required by state law and the meeting is scheduled. There are very minor or no plan changes during this phase. Staff prepares the staff report and a copy of the staff report is sent to you twelve days prior to the public meeting.

**FILING FEES**

See current Fee Schedule (filing fees are generally non-refundable). Additional fees may be required to be submitted PRIOR to scheduling a project for hearing. Check with the Planning Division for current fees.
