

City Council Memorandum

City of Arts & Innovation

TO: HONORABLE MAYOR AND CITY COUNCIL DATE: MARCH 25, 2025

FROM: FINANCE DEPARTMENT WARDS: 5

SUBJECT: PUBLIC HEARING – RESOLUTION AUTHORIZING THE ISSUANCE OF BONDS IN AN AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED \$100,000,000 BY THE CALIFORNIA MUNICIPAL FINANCE AUTHORITY FOR CALIFORNIA BAPTIST UNIVERSITY FOR THE PURPOSE OF FINANCING AND REFINANCING THE 2014A CBU BONDS, THE 2013 LANCER PLAZA BONDS, AND THE ACQUISITION, CONSTRUCTION, IMPROVEMENT, AND EQUIPPING OF ITS SOFTBALL AND BASEBALL CLUBHOUSE

ISSUE:

Conduct a public hearing under the Tax and Equity Fiscal Responsibility Act in connection with the proposed issuance of revenue bonds by the California Municipal Finance Authority, a joint exercise of powers authority and public entity of the State of California, in an amount not to exceed \$100,000,000, to finance and refinance the 2014A CBU Bonds, 2013 Lancer Plaza Bonds, and the construction, equipping and furnishing of CBU's Softball & Baseball Clubhouse, which is located on CBU's campus and is within the City of Riverside, California, and authorize the City Manager or his designee to execute all required documents.

RECOMMENDATIONS:

That the City Council:

1. Conduct a Tax Equity and Fiscal Responsibility Act (TEFRA) public hearing regarding the issuance of revenue or refunding bonds for the proposed Project (as defined below),
2. Adopt a resolution to authorize the issuance of revenue or refunding bonds in an amount not-to-exceed \$100,000,000 by the California Municipal Finance Authority on behalf of California Baptist University, (the "Borrower"), a California nonprofit corporation; and
3. Authorize the City Manager, or his designee, to execute all the required documents, including making minor and non-substantive changes.

BACKGROUND:

The California Municipal Finance Authority (the “CMFA”) is a joint powers authority organized under California Government Code, Section 6500 et seq. Formed on January 1, 2004, the CMFA promotes economic, cultural, and community development by financing economic and charitable projects throughout California. The CMFA assists local governments, non-profit organizations, and businesses with issuing taxable and tax-exempt bonds aimed at improving the standard of living in California. Its representatives and Board of Directors have considerable experience in bond financings. To date, more than 350 municipalities, including the City of Riverside, have become members of CMFA. The CMFA serves as the conduit issuer and provides access to an efficient mechanism to finance locally approved projects. The jurisdiction in which a project funded with private activity revenue bonds is to be located is required to approve the proposed plan of finance for such project.

DISCUSSION:

The City has received a request from CMFA to conduct a public hearing as required by the Internal Revenue Code in order to issue revenue and refunding bonds in an aggregate amount not to exceed \$100 million (the “Bonds”) on behalf of California Baptist University (the “Borrower”), a California nonprofit corporation. The Borrower will use the proceeds of the Bonds to:

- Refund all or a portion of the outstanding 2014A California Baptist University Bonds, which funded improvements including student housing and other campus infrastructure;
- Refund all or a portion of the outstanding 2013 Lancer Plaza Series Bonds, and
- Issue tax-exempt Bonds to fund the acquisition, construction, improvement, and equipping of California Baptist University’s Softball & Baseball Clubhouse located on its campus (collectively, the “Project”)

In order for the Bonds to qualify as tax-exempt bonds, the City must conduct a public hearing (the “TEFRA Hearing”) providing for the members of the community an opportunity to speak in favor of or against the use of tax-exempt bonds for the financing of the Project. Prior to such TEFRA Hearing, reasonable notice must be provided to the members of the community. Following the close of the TEFRA Hearing, an “applicable elected representative” of the governmental unit hosting the Project must provide its approval of the issuance of the Bonds for the financing of the Project.

STRATEGIC PLAN ALIGNMENT:

This item supports **Strategic Priorities 2.1 and 2.4 --Community Well Being** – Facilitate the development of a quality and diverse housing supply that is available and affordable to a wide range of income levels; and support programs and innovations that enhance community safety, encourage neighborhood engagement, and build public trust

This item aligns with the Cross-Cutting Threads as follows:

1. **Community Trust** – The community was informed of the project through a TEFRA public hearing.
2. **Equity** – Project outcomes will benefit the entire community by supporting reduced overall costs of previously developed housing supply for students of the area, as well as providing

new sporting facilities to encourage neighborhood engagement.

3. **Fiscal Responsibility** – The Project utilizes strategic partnerships with local non-profit and joint power authority to facilitate project through a tax-exempt borrowing, funded by the Project.
4. **Innovation** – The Project utilizes strategic partnerships with local non-profit and joint power authority to facilitate project.
5. **Sustainability & Resiliency** – Authorization of the financing project allows Riverside to reduce overall costs for previously expanded student housing to support needs of its residents without impacting existing public funds, as well as support local colleges which enhances community development within our student population.

FISCAL IMPACT:

There is no direct or indirect fiscal impact to the City as a result of this proposed financing by the CMFA. The CMFA will issue revenue bonds on behalf of the Project. The revenue bonds are payable solely from the revenues derived by the Borrower from the applicable Project. No financial obligations are placed on the City for project financing costs or debt repayment.
