construction of a multi-family residential development consisting of 347 units including (1) General Plan Amendment to amend the land use designation of the project site from C – Commercial to MU-U – Mixed Use-Urban; (2) Specific Plan Amendment to revise the Mission Grove Specific Plan and establish a Mixed Use Urban category for the subject site; (3) Zoning Code Amendment to rezone the project site from CR-SP – Commercial Retail and Specific Plan (Mission Grove) Overlay Zones to MU-U-SP – Mixed-Use – Urban and Specific Plan (Mission Grove) Overlay Zone; (4) Tentative Parcel Map (PM 38598) to modify Parcel Map 36320 creating two parcels for financing and conveyance purposes; (5) Design Review of project plans; and (6) Environmental Impact Report. The 9.92-acre project site is located at 375 E. Alessandro Boulevard, situated on the northwest corner of Mission Grove Parkway and Mission Village Drive, south of Alessandro Boulevard, in Ward 4. The City of Riverside has prepared a Draft Environmental Impact Report for this project. All significant effects of the proposed project have been reduced to less than significant with implementation of mitigation measures with the exception of impacts to Hazards, Land Use & Planning, and Transportation. Eleven people spoke regarding the matter. The public hearing was officially closed.

Following discussion, it was moved by Commissioner Parker and seconded by Commissioner Singh to (1) approve Planning Case PR-2022-001359 (GPA, SPA, RZ, PM, DR, EIR) with the addition of playground equipment; and (2) recommend that the City Council find: (a.) the Draft Environmental Impact Report has been completed in compliance with the California Environmental Quality Act (CEQA); (b.) the project will have a significant effect on the environment; but (c.) there are no feasible alternatives to the project or mitigation measures that will avoid or substantially lessen the significant environmental effects as identified in the Draft EIR for project-specific significant and unavoidable impacts to hazards/hazardous materials, land use/planning, and transportation; and (3) recommend that the City Council approve Planning Case PR-2022-001359 (GPA, RZ, SPA, PM, DR, EIR), based on the facts for findings outlined and summarized in the staff report, and subject to the recommended conditions and mitigation measures included as Exhibits 1 and 2 of the staff report. The motion carried with Commissioners Mooney, Wilson, Wilder, Singh, Parker, Mosqueda, and Elizalde, voting aye, and Commissioners Kirby and Stewart, voting no.

The Planning Commission recessed at 10:19 a.m. and reconvened at 10:23 a.m. with all Planning Commissioners present

demolish an existing 6,000 square foot commercial building and construct a new 2,350-square-foot restaurant (Ono Hawaiian BBQ) with a drive-thru. The 0.85-acre parcel is part of a 63.3-acre commercial shopping center (Park Sierra Dining and Entertainment Park), located at 3765 La Sierra Avenue, situated on the southeast corner of La Sierra and Magnolia Avenues, in the CG-X-SP - Commercial General, Building Setback (10 feet from La Sierra) and Specific Plan (Magnolia Avenue) Overlay Zones, in Ward 6. The Planning Division of the Community & Economic Development Department determined the proposal is exempt from the California Environmental Quality Act (CEQA) review pursuant to Section 15303 (Construction or Conversion of Small Structures) of the CEQA Guidelines, as the project will not have a significant effect on the environment. One person spoke regarding the matter. The public hearing was officially closed.

Following discussion, it was moved by Commissioner Wilder and seconded by Commissioner Singh to (1) determine that the project is exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15303 (New Construction or Conversion of Small Structures), as the project will not have a significant effect on the environment; and (3) approve Planning Case PR-2021-001049 (Conditional Use Permit and Design Review) based on the findings outlined in the staff report and summarized in the findings and subject to the recommended conditions of approval included as Exhibits 1 and 2 of the staff report. The motion carried unanimously.

Commissioner Singh left the meeting at this time.

PLANNING CASE PR-2024-001643 - TENTATIVE TRACT MAP (TM) - DESIGN REVIEW (DR) - MULTIFAMILY DEVELOPMENT CONSISTING OF 149 UNITS INCLUDING 141 MARKET RATE AND 8 AFFORDABLE UNITS - 3510 VAN BUREN BOULEVARD AND 3469 MYERS STREET

Hearing was called to consider Planning Case PR-2024-001643 (TM, DR) a proposal by Matthew Esquivel of Warmington Residential to consider the following entitlements to facilitate the construction of a multifamily development consisting of 149 units including 141 market rate and 8 affordable units: (1) Tentative Tract Map for condominium purposes, and (2) Design Review of project plans. The 6.44-acre site consists of three contiguous parcels, developed with a single-family residence, located at 3510 Van Buren Boulevard and 3469 Myers Street, zoned MU-V-SP – Mixed Use-Village and Specific Plan (Magnolia Avenue) Overlay Zones, MU-V – Mixed Use-Village and R-1-7000 – Single Family Residential Zone, in Ward 5. The Planning Division of the Community & Economic Development Department has determined the proposed project is exempt from additional environmental review pursuant to Section 15183 of the California Environmental Quality Act (CEQA) as the project is consistent with the Final EIR for the 2021-2029 Housing Element Update/Housing Implementation Plan certified in October 2021 (SCH No. 2021040089) subject to compliance with the approved Mitigation Monitoring and Reporting Program. The proposed Tentative Tract Map is exempt from the California Environmental Quality Act (CEQA) subject to Section
