# Parent-led autism learning

- AKA parent training/caregiver education
- No experience required. Just a willingness to learn!

# Our areas of expertise:

- **Behavior support:** Tantrums, aggression, pushing boundaries, property destruction, self-injurious behaviors, etc.
- **Toilet training**
- **Sleep support**

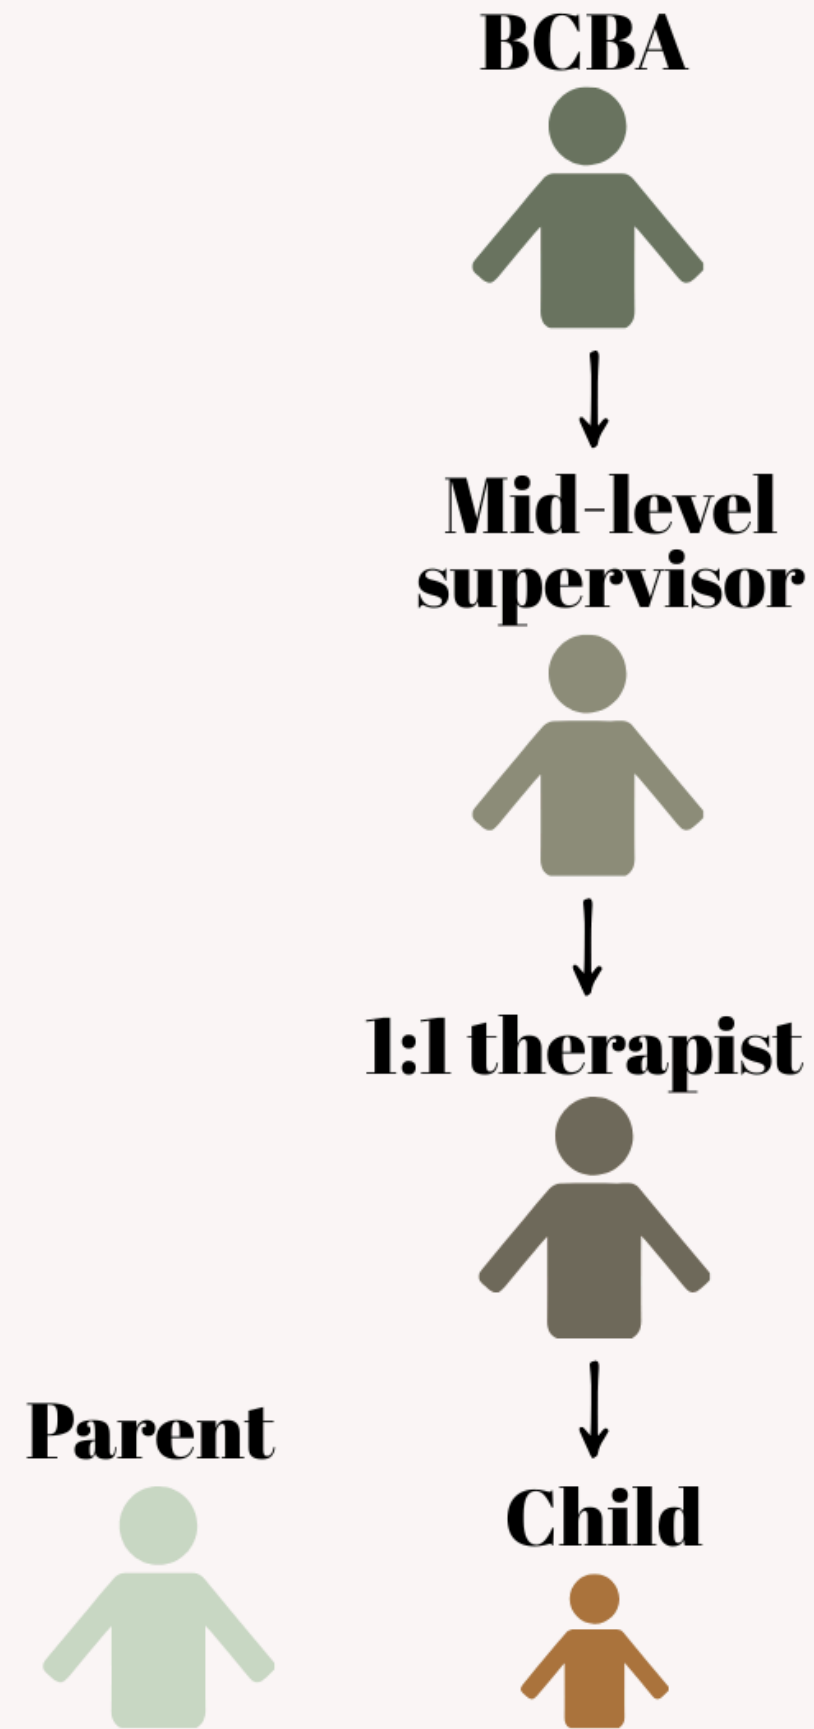

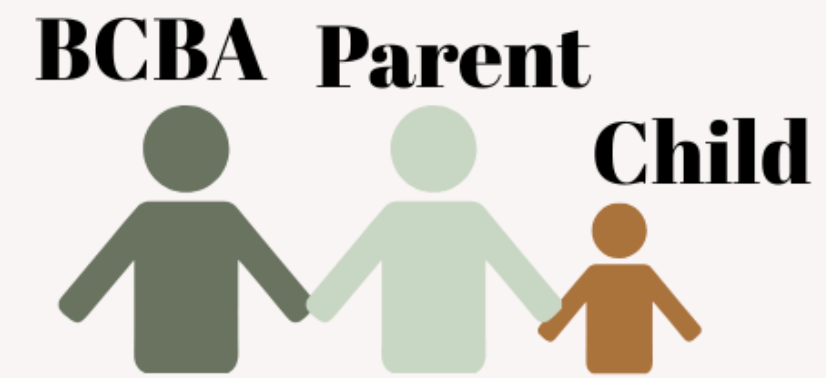

# What makes us different?

**Parent-led autism learning.**  
*Not traditional ABA therapy.*

# Traditional (insurance) Therapy Model

# Our Model

# What makes us different?

- ✓ No inexperienced 1:1 therapist
- ✓ No 15-20 hr/week commitment
- ✓ No insurance restrictions
- ✓ No waitlist

# No-cost parent learning

- Virtual miniseries designed for autism moms, dads, grandparents.
