Thereafter, the assignor shall remain responsible to the City for performance of the obligations assumed by the assignee unless the City releases the assignor in writing.

### 2.3 Successors and Assigns.

### 3. FINANCING OF THE PROJECT

#### 3.1 Sources of Financing.

As set forth in the Project Budget, the parties anticipate that Project costs shall be financed with a combination of funds from the proceeds of the Homekey+ Grant, CDBG Loan, HOME Loan and HHAP Loan, and such other financing sources as secured pursuant to Section 3.8.

Not later than January 31, 2026, the Developer shall submit to the City Manager evidence that the Developer has obtained, or will obtain, as evidenced by an application for funding, sufficiently final commitments for (a) financing to finance the completion of the Project or (b) equity capital for completion of the Project, such that the City Manager is reasonably satisfied based upon the review and findings of the City's financial consultant that the Project can be constructed and operated in accordance with this Agreement. Such evidence (collectively, the "*Evidence of Financing*") shall include, at a minimum:

- a. If the Project is financed by a third-party lender, draft construction loan documents along with evidence reasonably satisfactory to the City Manager, such as an executed term sheet from Construction Lender, that the lender intends to execute the same and provide an initial funding on the Closing. Any such agreement shall provide for notice of default to the City, and the right to cure as set forth herein.
- b. Evidence of such other loans or grants as may be required to pay (i) the amount of the "Construction Contract" (as defined in Section 3.2 below) for the Project, plus (ii) an amount equal to all consultant and loan fees, points, commissions, bond issuance costs, charges, furnishings, fixtures, taxes, interest, start-up costs, the Developer's overhead and administration, and other costs and expenses of developing and completing the Project.
- c. A copy of the most recently prepared Annual Financial Statement for the Developer or its general partner.

#### 3.2 Construction Contract.

Not later than January 31, 2026, the Developer agrees to deliver to the City, for its review and approval, a fixed price or guaranteed maximum cost construction contract(s) (the "**Construction Contract**") for all of the improvements necessary to complete the Project, which Construction Contract shall obligate a reputable and financially responsible general contractor(s) ("**General Contractor**"), capable of being bonded and licensed in California and with experience in completing the type of project contemplated by this Agreement, to commence and complete the construction of those improvements in accordance with this Agreement and under the terms provided therein. The Construction Contract shall contain a schedule of values in such form as is reasonably satisfactory to the City. The City shall not unreasonably withhold its approval of the Construction Contract provided that such contract conforms to the requirements of this Agreement.

Each Construction Contract shall give the City the right, but not the obligation, to cure defaults thereunder and to assume the Developer's obligations and rights under the contract; provided that such right to cure and assume that contract shall be subject to the right, if any, of the Construction Loan lender. In addition, each Construction Contract shall provide, among other matters, that any single change order in excess of Fifty Thousand Dollars (\$50,000) must be approved by the City Manager, which approval shall not be unreasonably withheld, conditioned or delayed and provided within five (5) Business Days or otherwise deemed approved. Further, each Construction Contract shall set forth a reasonably detailed schedule for completion of each stage of construction.

The City approval of the Construction Contract shall not constitute a waiver by the City of any breach or violation of this Agreement that is a result of acts that are or purport to be in compliance with or in furtherance of said Construction Contract.

In connection with delivery of the Construction Contract, the Developer shall furnish the City with a contractor's performance bond in an amount not less than one hundred percent (100%) of the costs for the applicable Project improvements and a payment bond guaranteeing contractor's completion of those improvements free from liens of material men, contractors, subcontractors, mechanics, laborers, and other similar liens. Said bonds shall be issued by a responsible surety company, licensed to do business in California and with a financial strength and credit rating reasonably acceptable to the City and shall remain in effect until the entire costs for such improvements shall have been paid in full. Any such bonds shall be in a form reasonably satisfactory to the City legal counsel. In lieu of the payment and performance bonds, the Developer may provide (i) a guaranty, in such form as reasonably required by the City, to be executed by the Developer or an affiliate thereof for the lien free completion of the Project in accordance with this Agreement; or (ii) a letter of credit issued to the City in the amount of not less than one hundred percent (100%) of the costs for the applicable improvements, in a form and from a financial institution approved by the City, which approval shall not be unreasonably withheld.

### **3.3 HHAP Loan.**

The City hereby agrees to loan to the Developer, and the Developer hereby agrees to borrow from the City, the HHAP Loan in an amount not to exceed Seven Million Five Hundred Sixty-Nine Thousand Two Hundred Seventy-Two Dollars and Twenty-Five Cents

(\$7,569,272.25) pursuant to the terms and conditions of the HHAP Loan Documents. Said final amount shall be determined once all the Developer's financing has been obtained.

3.3.1 Funding. The City shall make the HHAP Loan to the Developer from available funds allocated to the City pursuant to the HHAP Program. The HHAP Loan shall be made in accordance with and subject to the terms and conditions set forth in the HHAP Promissory Note, the HHAP Deed of Trust, and this Agreement.

3.3.2 Security for HHAP Loan; Nonrecourse Obligation.

The HHAP Loan shall be evidenced by the HHAP Promissory Note and shall be secured by the HHAP Deed of Trust. The HHAP Loan shall constitute nonrecourse obligations of the Developer such that the City shall resort only to the Developer's interest in the Site for repayment upon an Event of Default by the Developer, and the Developer and its partners, members, directors, officers, agents or employees shall have no further liability for repayment in the event the Developer's interest in the Site or any portion thereof is foreclosed upon.

3.3.3 Subordination.

The HHAP Deed of Trust shall be subordinate to the liens and encumbrances of the HHAP Regulatory Agreement, the Construction Loan, the Permanent Loan (including any refinance thereof) and such exceptions to title as are approved by the City in writing, which approval shall not be unreasonably withheld, conditioned or delayed. In addition, the City agrees to consider in good faith any other reasonable request by the Developer for subordination of the HHAP Deed of Trust to other loans obtained by the Developer pursuant to Section 3.8 where the City's interests are protected and secure. The HHAP Request for Notice of Default shall be recorded in the official records of Riverside County concurrent with any documents evidencing the subordination of the HHAP Loan.

So long as the conditions set forth in this Section 3.3.3 are satisfied, the HHAP Regulatory Agreement shall be subordinate to the liens of the Construction Loan and such exceptions to title as are approved by the City in writing.

The HHAP Regulatory Agreement may be subordinated to any approved sources of permanent financing upon a finding by the City Manager pursuant to Health & Safety Code Section 33334.14 and based upon evidence submitted by the Developer and/or lender that an economically feasible alternative method of financing on substantially comparable terms and conditions, but without subordination, is not reasonably available and the City obtains written commitments reasonably designed to protect the City's investment in the Event of Default.

The subordination by the City pursuant to this Section 3.3.3 shall be made in accordance with a subordination agreement in the form and substance approved by the City's legal counsel which agreement shall include written commitments reasonably designed to protect the City's investment and covenants in the event of default, including, but not limited to, reasonable notice and cure rights ("***Subordination Agreement***").

**3.4 Disbursement of Loan Proceeds.** The HHAP Loan shall be used for Project Costs incurred following the Effective Date of this Agreement and shall be disbursed as follows:

Upon satisfaction of the conditions precedent to the disbursement of the HHAP Loan Proceeds set forth in Section 3.6 below, the HHAP Loan Proceeds shall be disbursed to the Developer not later than thirty (30) calendar days after receipt by the Housing Project Manager of a written disbursement request from the Developer (each, a "**Disbursement Request**"). The Disbursement Request shall set forth the amount of the requested disbursement of the Loan Proceeds and shall certify that (a) all conditions precedent to disbursement of the HHAP Loan Proceeds set forth in Section 3.6 below have been and remain satisfied in all material respects and (b) no Event of Default has occurred and is continuing under the HHAP Loan Documents beyond any applicable notice and cure period. The City shall use its best commercially reasonable efforts to wire transfer such disbursements when the Developer requests disbursements by wire transfer.

**3.5 Retention.**

Except as otherwise provided herein, as to each Disbursement Request made to the City for Project Costs, disbursements of the Loan Proceeds shall be made for such item in the amount of ninety percent (90%) of the costs for such item properly incurred and substantiated by the Developer during the course of the Project. Upon satisfaction of the conditions set forth in Section 3.7 below, the City shall disburse the HHAP Loan Proceeds in the amount of Ninety Percent (90%) of each Disbursement Request for Project Costs; provided, however, that (a) the amounts so retained on account of rough grading, wet and dry utilities, concrete foundations, and framing shall be released on a trade by trade basis, so long as the construction of the trade improvements has been completed substantially in accordance with the plans and has been fully paid for and is lien free, and (b) all work requiring inspection or certification by any governmental agency has been completed and all requisite certificates, approvals and other necessary authorizations required at such time have been obtained.

Notwithstanding the foregoing, as to each Disbursement Request made to the City for Predevelopment Costs, disbursements of the HHAP Loan Proceeds shall be made for such item in the amount of one hundred percent (100%) of the costs for such item properly incurred and substantiated by the Developer during the course of the Project.

The Final Disbursement Request shall set forth the amount of the requested disbursement of the HHAP Loan Proceeds and shall certify that (a) all conditions precedent to disbursement of the HHAP Loan Proceeds set forth in Section 3.6

have been and remain satisfied in all material respects, and (b) all conditions precedent to disbursement of the Retention set forth in Section 3.7 have been and remain satisfied. The City shall use its best commercially reasonable efforts to wire transfer such disbursement when requested by the Developer.

3.6.6     Recordation of the HHAP Deed of Trust. The HHAP Deed of Trust shall have been recorded as a lien against the Site and subordinate only to those liens permitted pursuant to Section 3.3.3.

3.6.7 Title Policy. Concurrently with the recordation of the HHAP Deed of Trust, the Title Company shall issue and deliver to the City an extended ALTA lender's policy of title insurance in an amount equal to the HHAP Loan, together with such endorsements as requested by the City, insuring that leasehold interest in the Site is vested in the Developer and that the priority of the HHAP Deed of Trust and the HHAP Regulatory Agreement are consistent with Section 3.3.3. The Title Company shall provide the Developer with copies of such title policy. The Title Company shall, if requested by the City, provide any extended coverage and any endorsements reasonably requested by the City (collectively, the "***Additional Endorsements***"). The Developer shall pay the cost of such title policies issued in connection with the acquisition of the Site.

### **3.7 Conditions Precedent to Disbursement of Retention.**

Upon satisfaction or waiver of the conditions precedent set forth below, as reasonably determined by the City Manager, the City shall disburse the Retention. No disbursement of the HHAP Loan Proceeds shall be made for the Retention until all of the following conditions precedent have been satisfied (as determined by the City in its reasonable discretion) or waived:

3.7.1 Compliance with Previous Conditions. The Developer shall be in compliance with the conditions precedent to disbursement of the Loan Proceeds set forth in Section 3.6 above.

3.7.2 Completion of Construction. As to disbursements of the retention for Project Costs, excluding Predevelopment Costs, the construction of the Project shall be complete. The Developer shall obtain funds for the construction of the Project in excess of the Loan Proceeds by way of a loan in an amount not to exceed Twenty Million One Hundred Thirty-Seven Thousand Four Hundred Ten Dollars (\$20,137,410) (the "**Construction Loan**") from the Homekey+ grant. The terms and provisions of the Construction Loan shall be similar to ordinary and customary provisions of construction lenders on loans similar to the Construction Loan. The Construction Loan shall provide for normal and customary disbursement controls, the payment of normal and customary fees and expenses for a loan of similar size and purpose, and for the payment of other expenses contained in the Project Budget. Documentation for the Construction Loan shall be subject to the review of the City. ##### **4.3 Defects in Plans.**

The City shall not be responsible to the Developer or to third parties in any way for any defects in the design of the Project, nor for any structural or other defects in any work done according to the approved design of the Project, nor for any delays reasonably caused by the review and approval processes established by this Section 4.3. The Developer shall hold harmless, indemnify and defend the City and its officers, employees, agents and representatives from and against any claims, suits for damages to property or injuries to persons arising out of or in any way relating to defects in the design of the Project, including (without limitation) the violation of any laws, and for defects in any work.

#### **4.10    Other Governmental Authority Permits and Environmental Compliance.**

Before commencement of demolition activities or construction or other works of improvement upon the Site, the Developer shall secure or cause to be secured any and all land use and other entitlements or approvals, if any, which may be required by any other governmental agency affected by such construction or work.

The parties acknowledge and agree the California Environmental Quality Act, Public Resources Code Section 21000, *et seq.*, ("**CEQA**") may become applicable to the Project as a result of processing the Developer's entitlement requests, if so required. Pursuant to CEQA, certain environmental documents may be required to be prepared. The Developer agrees to cooperate with the City in obtaining information to determine environmental impact associated with such entitlements. The Developer shall be responsible to pay all costs incurred by the City to prepare or cause to be prepared such environmental documents with respect to any land use entitlements affecting the Site and to comply with any required mitigation measures imposed pursuant thereto.

Should the CEQA reviews reveal environmental impacts from the Project which cannot be sufficiently mitigated, the Developer and the City shall then negotiate in good faith to restructure the Project in a manner that may reduce the environmental impacts of the projects.

#### **4.11    Rights of Access.**

Prior to the issuance of a Release of Construction Covenants (as specified in Section 4.17), for purposes of assuring compliance with this Agreement, representatives of the City shall have the right of access to the Site, at its own risk but without charges or fees, and at normal construction hours and, except in emergency situations, upon at least forty-eight (48)

**4.16 Mortgage Deed of Trust, Sale and Lease-Back Financing; Rights of Holders.**

4.16.1 No Encumbrances Except Mortgages, Deeds of Trust. The Developer shall notify the City in advance of any mortgage, deed of trust or sale and lease-back financing, if the Developer proposes to enter into the same before completion of the Project. Notwithstanding any contrary provision contained herein, the City's approval shall not be required for any financing after the issuance of a Release of Construction Covenants for the Project as specified in Section 4.17 below. For the avoidance of doubt, the provisions of Section 4.16 of this Agreement do not prohibit the recordation of declarations of restrictive covenants or regulatory agreements securing affordability or occupancy requirements against the Developer's leasehold interest in the Site.

4.16.2 Holder Not Obligated to Construct Improvements. The holder of any mortgage or deed of trust authorized by this Agreement shall not be obligated by the provisions of this Agreement to construct or complete the Project or to guarantee such construction or completion. Nothing in this Agreement shall be deemed to construe, permit or authorize any such holder to devote the Site to any uses or to construct any improvements thereon, other than those uses or improvements provided for or authorized by this Agreement.

4.16.3 Notice of Default to Mortgagee or Deed of Trust Holders Right to Cure. Whenever the City delivers any notice or demand to the Developer with respect to any breach or default by the Developer in completion of the Project and the Developer fails to cure or commence to cure to the City's satisfaction within sixty (60) calendar days from the date of such notice, the City shall at the same time deliver to each holder of record of any mortgage or deed of trust authorized by this Agreement and granted by the Developer, a copy of such notice or demand. Except as otherwise agreed to in the Subordination Agreement with a senior lender, each such holder shall (insofar as the rights granted by the City are concerned) have the right, at its option, within sixty (60) calendar days after the receipt of the notice, to cure or remedy or commence to cure or remedy and diligently prosecute such cure or remedy to completion any such default and to add the cost thereof to the mortgage debt and the lien of its mortgage. Written notice of such holder's intention to cure the Developer's default shall be deemed to be commencement of cure. Nothing contained in this Agreement shall be deemed to permit or authorize such holder to undertake or continue the construction or completion of the Project (beyond the extent necessary to conserve or protect the improvements or construction already made) without first having expressly assumed the Developer's obligations under this Agreement by written agreement satisfactory to the City. The holder, in that event, must agree to complete, in the manner provided in this Agreement, the Project to which the lien or title of such holder relates, and submit evidence satisfactory to the City that it has the qualifications and financial responsibility necessary to perform such obligations. Any such holder properly completing the Project shall be entitled, upon compliance with the requirements of this Agreement, to a Release of Construction Covenants as specified in Section 4.17.

4.16.4 Failure of Holder to Complete Project. Except as otherwise agreed to in the Subordination Agreement with a senior lender, in any case where, thirty (30) calendar days after the holder of any mortgage or deed of trust creating a lien or encumbrance upon the Site or any part thereof receives notice of default by the Developer in connection with the construction of the Project under this Agreement, and such holder has not exercised the option to construct as set forth in Section 4.16.2, or if it has exercised the option and has not proceeded diligently with construction, or to obtain title after institution of foreclosure or trustee's sale proceedings, the City may purchase the mortgage or deed of trust by payment to the holder of the amount of the unpaid mortgage or deed of trust debt, including principal and interest and all other sums secured by the mortgage or deed of trust. If the Developership of the Site or any part thereof has vested in the holder by virtue of a deed in lieu of foreclosure, the City, if it so desires, shall be entitled to a conveyance from the holder to the City, upon payment to the holder of an amount equal to the sum of the following items (i) through (v) less any income derived by the lender from operations conducted on the Site (the receipt of principal and interest payments in the ordinary course of business shall not constitute income for the purposes of this Section):

(a) The unpaid mortgage or deed of trust debt at the time title became vested in the holder (less all appropriate credits, including those resulting from collection and application of rentals and other income received during foreclosure proceedings);

(b) All expenses with respect to foreclosure;

(c) The net expense, if any (exclusive of general overhead), incurred by the holder as a direct result of the subsequent management of the Project or part thereof;

(d) The costs of any improvements made by such holder; and

(e) An amount equivalent to the interest that would have accrued on the aggregate of such amounts had all such amounts become part of the mortgage or deed of trust debt and such debt had continued in existence to the date of payment by the City.

#### 4.16.5 Right of the City to Cure Mortgage or Deed of Trust Default.

Except as otherwise agreed to in the Subordination Agreement with a senior lender, in the event of a mortgage or deed of trust default or breach by the Developer past any applicable notice and cure period and prior to the issuance by the City of the Release of Construction Covenants in accordance with Section 4.17, the Developer shall immediately deliver to the City a copy of any mortgage holder's notice of default. If the holder of any mortgage or deed of trust has not exercised its option to construct, the City shall have the right, but not the obligation to cure the default. In such event, the City shall be entitled to reimbursement from the Developer of all proper costs and expenses incurred by the City in curing such default. Such costs and expenses incurred by the City shall accrue interest until paid by the Developer at the rate of ten percent (10%) per annum or the maximum allowable interest rate permitted by applicable law, whichever is lower. Such costs and expenses and any interest accrued thereon shall be secured as additional advances by and pursuant to the Deed of Trust and the Assignment of Rents.

In furtherance of this Section 4.16.5, every subordination agreement entered into by and between the City and a senior lien holder pursuant to Section 3.3.3 shall include an acknowledgment and agreement by the senior lien holder to provide notice of the Developer's default to the City.

4.16.6 Right of the City to Satisfy Other Liens on the Site. Subject to the rights of any senior lender, prior to the issuance by the City of the Release of Construction Covenants in accordance with Section 4.17 and after the Developer has had written notice and has failed after a reasonable time (but in any event not less than thirty (30) calendar days) to challenge, cure, adequately bond against, or satisfy any liens or encumbrances on the Site which are not otherwise permitted under this Agreement, the City shall have the right (but not the obligation) to satisfy any such liens or encumbrances. The costs and expenses of such cure shall accrue interest until paid by the Developer at the rate of ten percent (10%) per annum or the maximum allowable interest rate provided by applicable law, whichever is lower. Such costs and expenses and any interest accrued thereon shall be secured as additional advances by and pursuant to the Deed of Trust and the Assignment of Rents.

#### **4.17 Release of Construction Covenants.**

Within thirty (30) calendar days of completion of the Project in conformity with this Agreement, the City shall furnish the Developer with a "Release of Construction Covenants" upon written request therefor by the Developer. The City shall not unreasonably withhold such Release of Construction Covenants. The Release of Construction Covenants shall be substantially in the form of the "Release of Construction Covenants" (Attachment No. 9). The Release of Construction Covenants shall be a conclusive determination of satisfactory completion of the Project and the Release of Construction Covenants shall so state. Except as provided in the HHAP Regulatory Agreement, any party then owning or thereafter purchasing, leasing or otherwise acquiring any interest in the Site shall not (because of such ownership, purchase, lease or acquisition) incur any obligation or liability under this Agreement except for those continuing covenants as set forth in Section 6, *et seq.*

If the City refuses or fails to furnish the Release of Construction Covenants within thirty (30) calendar days of completion, the City shall within ten (10) calendar days of written request therefor, provide the Developer with a written statement of the reasons the City refused or failed to furnish the Release of Construction Covenants. The statement shall also contain the City's opinion of the actions the Developer must take to obtain the Release of Construction Covenants. If the City shall have failed to provide such written statement within said ten (10) calendar day period, and on the condition that the City has issued a certificate of occupancy or equivalent document for the Project, the Project shall thereafter be deemed approved by the City and the City shall promptly issue the Release of Construction Covenants.

The Release of Construction Covenants shall not constitute evidence of compliance with or satisfaction of any obligation of the Developer to any holder of any mortgage, or any insurer of a mortgage securing money loaned to finance the Project, or any part thereof. The Release of Construction Covenants is not a notice of completion as referred to in Section 3093 of the California Civil Code.

### **5. COVENANTS AND RESTRICTIONS**

#### **5.1 Use Covenants.**

The Developer covenants and agrees for itself, its successors, its assigns, and every successor in interest to the Site or any part thereof that during construction and thereafter, the Developer shall devote the Site to the uses specified in the HHAP Regulatory Agreement. All uses conducted on the Site, including, without limitation, all activities undertaken by the Developer pursuant to this Agreement, shall conform to all applicable provisions of the Riverside Municipal Code.

#### **5.2 Affordable Housing Requirements.**

5.2.1 Number of Units. The Developer agrees to make available, restrict occupancy to, and rent at an Affordable Rent thirty-six (36) of the HHAP -Assisted Units to Qualified Extremely Low Income Households and twenty (20) of the HHAP Assisted Units to Low Income Households.

5.2.2 Duration of Affordability Requirements. The HHAP-Assisted Units shall be subject to the requirements of Section 5.2 throughout the Affordability Period.

5.2.3 Selection of Tenants. The Developer shall be responsible for the selection of tenants for the HHAP-Assisted Units in compliance with lawful and reasonable criteria, and in accordance with the procedures set forth in the Management Plan which shall be submitted to the City for approval pursuant to Section 5.7. In addition, and to the extent legally allowable, preference shall also be given to tenant applicants residing in the City.

5.2.4 Household Income Requirements. In order to assure compliance with the rent and occupancy restrictions set forth in this Agreement and the HHAP Regulatory Agreement, the Developer shall, prior to the initial leasing of a HHAP-Assisted Unit and on an annual basis thereafter throughout the Affordability Period, obtain and cause to be submitted to the City, at the Developer's expense, a verification of all household sources of income demonstrating that such household is a Qualified Extremely Low Income Household and Qualified Low Income Household, as applicable, and meets the eligibility requirements established for the HHAP-Assisted Unit. Such income verification shall be submitted on the City's income and rent verification form or such other form approved by the City.

5.2.5 Annual Reporting Requirement.

In order to satisfy the monitoring requirements of the City and the State of California, the Developer shall, following the issuance of the Certificate of Occupancy, and on or before June 30 of each year, submit to the City a certification of compliance with the terms and conditions of this Agreement and the HHAP Regulatory Agreement and such other reports as required thereby on forms provided by the City. Each annual report shall cover the immediately preceding fiscal year. The Developer further agrees to provide true and accurate copies of all required reports, audits and compliance forms prepared in accordance with applicable HHAP guidelines upon request.

Additionally, the Developer shall determine and submit a report to the City showing the proposed Affordable Rent amount for each HHAP-Assisted Unit for the preceding twelve (12) months with supporting documentation comparing the methods for calculating Affordable Rent as set forth in Section 1.1.

No Substitute Satisfaction. Satisfaction of any other affordability covenants applicable to the Project shall not constitute substitute satisfaction of the requirements set forth in the HHAP Regulatory Agreement.

**5.3 Lease Requirements**

Prior to rental of any of the HHAP-Assisted Units, the Developer shall submit a standard lease form to the City for the City's approval, which approval shall not unreasonably be withheld, conditioned or delayed. The Developer shall enter into a lease, in the form approved by the City, or such other forms as the City may approve from time to time, with each tenant of a HHAP-Assisted Unit.

#### **5.4     Capital Replacement Reserve.**

The Developer shall, or shall cause the Property Manager to, set aside the greater of (a) an amount equal to Two Hundred Fifty Dollars (\$250.00) per Unit per year or (b) the minimum amount required by or any Lender into a separate interest-bearing trust account held by the Developer (the "***Capital Replacement Reserve***"). The amount required to be placed into the Capital Replacement Reserve shall increase at the rate determined by the Permanent Lender. Funds in the Capital Replacement Reserve shall be used for capital replacements to the Project fixtures and equipment which are normally capitalized under generally accepted accounting principles. Interest on funds in the Capital Replacement Reserve shall remain in the Capital Replacement Reserve. The non-availability of funds in the Capital Replacement Reserve does not in any manner relieve the Developer of the obligation to undertake necessary capital repairs and improvements and to continue to maintain the Project in the manner prescribed herein. Not less than once per year, the Developer, at its expense, shall submit to the City an accounting for the Capital Replacement Reserve. The City approval is not required for withdrawals from the Capital Replacement Reserve in accordance with this Agreement.

To the extent that a senior lender requires the Developer to maintain a separate reserve fund or account for any or all of the same purposes as the Capital Replacement Reserve, the City shall not require the Developer to establish or maintain the Capital Replacement Reserve, provided that the Developer actually deposits the amounts required by such senior lender into such reserve fund or account with the senior lender and provides all information and performs all acts required pursuant to this Section 5.4 for the benefit of the City regarding such separate reserve fund or account maintained pursuant to the requirements of such senior lender, as though such account is the Capital Replacement Reserve.

#### **5.5     [Intentionally Omitted]**

#### **5.6     Marketing Plan.**

By the time specified therefor in the Schedule of Performance, the Developer shall submit for the approval of the City, which approval shall not unreasonably be withheld, a plan for marketing the rental of the HHAP-Assisted Units (the "***Marketing Plan***"). The Marketing Plan shall include affirmative marketing procedures and requirements consistent with the provisions of Section 4.B. of the HHAP Regulatory Agreement. The Marketing Plan shall include a plan for publicizing the availability of the HHAP-Assisted Units within the City in a manner which gives notice to existing residents, such as notices in any City sponsored newsletter, newspaper advertising in local newspapers and notices in City offices and community centers. The Marketing Plan shall require the Developer to obtain from the City the names of Qualified Households who have been displaced by the Project and other persons who have indicated to the City their interest in the HHAP-Assisted Units, and to notify persons on such list of availability of

units in the Project prior to undertaking other forms of marketing. The Marketing Plan shall provide that the persons on such list be given not fewer than ten (10) calendar days after receipt of such notice to respond by completing application forms for rental of HHAP-Assisted Units, as applicable.

#### **5.7 Long Term Management.**

The parties acknowledge that the City is interested in the long-term management and operation of the Project and in the qualifications of any person or entity retained by the Developer for that purpose (the "**Property Manager**"). The City approves of Many Mansions as the initial Property Manager. Prior to the issuance of a Release of Construction Covenants by the City and the initial rental of the HHAP-Assisted Units in accordance with this Agreement, the Developer shall submit for the reasonable approval of the City a detailed "**Management Plan**" which sets forth in detail the duties of the Property Manager, the tenant selection process, a security system, the procedures for determining Affordable Rent and for the collection of rent, occupancy limits and the procedures for monitoring of occupancy levels, the procedures for eviction of tenants, the rules and regulations of the Project and manner of enforcement, a standard lease form, and other matters relevant to the management of the Project. The Developer may from time to time submit amendments and modifications to the Management Plan for the reasonable approval of the City. The management of the Project shall be in compliance with the Management Plan that is approved by the City.

The Developer shall, prior to the rental of the first HHAP-Assisted Unit, contract with a Property Manager, subject to the reasonable approval of the City. During the term of the Affordability Period, such Property Manager may subcontract for property management services with an experienced and qualified property management entity (based upon the criteria set forth herein below) only upon prior written approval by the City which approval shall not be unreasonably withheld.

During the Affordability Period, the City may from time to time review and evaluate the identity and performance of the Property Manager of the Project as it deems appropriate in its reasonable judgment. If the City reasonably determines that the performance of the Property Manager is deficient based upon the standards and requirements set forth in this Agreement, the City shall provide notice to the Developer of such deficiencies and the Developer shall use its best efforts to correct such deficiencies within sixty (60) calendar days. Upon default of the terms of this Agreement by the Property Manager, the City shall have the right to require the Developer to immediately remove and replace the Property Manager with another property manager or property management company who is reasonably acceptable to the City, and who has not less than five (5) years' experience in property management, including experience managing multifamily residential developments of the size, quality and scope of the Project. If the entity removed is related to or affiliated with the Developer, the City may require that the Property Manager be replaced with another entity that is not related to or affiliated with the Developer.

In addition, during the term of the Affordability Period, the Developer shall annually submit to the City for its reasonable approval a budget for the operation of the Project. The fee paid to Property Manager shall not exceed the reasonable and customary fees paid to such property managers for similar rental properties in Riverside County. Other fees and payments shall

be consistent with prevailing market rates for the services performed and goods provided in consideration for such fees and payments. The Developer shall ensure that the reasonably foreseeable expenses of operating the Project do not materially exceed the budget which has been approved by the City. The Developer shall annually provide to the City a detailed accounting of operating expenses and shall make available its books and records to the City for inspection and copying, upon reasonable advance notice during its normal hours of business.

#### **5.8 HHAP Regulatory Agreement.**

The Developer shall execute, acknowledge, and deliver to the City the HHAP Regulatory Agreement to be recorded with respect to Developer's interest in the Site in the official records of Riverside County. The HHAP Regulatory Agreement shall contain those portions of this Agreement relating to affordable housing requirements, and other provisions which are intended to survive the completion of construction of the Project.

#### **5.9 Maintenance of Site.**

During construction of the Project and throughout the Affordability Period, the Developer shall maintain the Site and the improvements thereon in conformity with the HHAP Regulatory Agreement in all material respects.

#### **5.10 Nondiscrimination Covenants.**

All such deeds, leases, contracts or subcontracts shall contain or be subject to substantially the following nondiscrimination and nonsegregation clauses:

(a) In deeds: "The grantee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises herein conveyed, nor shall the grantee or any person claiming under or through him or her, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. **5.11 Effect of Violation of the Terms and Provisions of this Agreement After Completion of Construction.**

The City is deemed the beneficiary of the terms and provisions of this Agreement and of the covenants running with the land, for and in its own right and for the purposes of protecting the interests of the community and other parties, public or private, in whose favor and for whose benefit this Agreement and the covenants running with the land have been provided, without regard to whether the City has been, remains or is an Developer of any land or interest therein in the Site. The City shall have the right, if this Agreement or any covenants in any agreement pursuant to this Agreement, or the HHAP Regulatory Agreement, are breached, following notice and expiration of all applicable cure periods, to exercise all rights and remedies, and to maintain any actions or suits at law or in equity or other proper proceedings to enforce the curing of such breaches to which it or any other beneficiaries of this Agreement and such covenants may be entitled.

## **5.12 Monitoring and Recordkeeping.**

The Developer shall comply with all applicable recordkeeping and monitoring requirements set forth in the HHAP Guidelines and shall annually complete and submit to the City a certification of continuing program Compliance in such form as provided by the City. Representatives of the City shall be entitled to enter the Site, upon at least twenty-four (24) hours' notice, to monitor compliance with this Agreement, to inspect the records of the Project, and to conduct an independent audit or inspection of such records. The Developer agrees to cooperate with the City in making the Site and all HHAP-Assisted Units thereon available for such inspection or audit. The Developer agrees to maintain records in a businesslike manner, to make such records available to City upon seventy-two (72) hours' notice, and to maintain such records for the entire Affordability Period.

## **6. INDEMNITY AND INSURANCE**

### **6.1 Developer's Indemnity.**

To the full extent permitted by law, the Developer shall indemnify, defend and hold harmless the City, and any and all of its employees, officials and agents (the "*Indemnitees*") from and against any liability (including liability for claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or cost of any kind, whether actual, alleged or threatened, including reasonable attorneys' fees and costs, court costs, interest or defense costs, including expert witness fees), where the same arise out of: (i) the Developer's failure to comply with all applicable laws; (ii) defects in the design of the Project as to all or any portion of the Project developed or caused to be developed by the Developer, or (iii) any grossly negligent performance or act or grossly negligent failure to perform or act pursuant to this Agreement by the Developer, or by any individual or entity that the Developer shall bear the legal liability thereof, including, but not limited to, officers, agents, or employees of the Developer.

Without affecting the rights of Indemnitees under any provisions of this Agreement, the Developer shall not be required to indemnify and hold harmless Indemnitees for liability attributable to the gross negligence or willful misconduct of Indemnitees.

Failure of Indemnitees to monitor compliance with these requirements imposes no additional obligations on Indemnitees and will in no way act as a waiver of any rights hereunder. This obligation to indemnify and defend Indemnitees as set forth here is binding on the successors, assigns or heirs of the Developer and shall survive the termination of this Agreement.

This indemnification provision supplements and in no way limits the scope of any the indemnification set out elsewhere in this Agreement. The indemnity obligation of the Developer under this Section 6.1 shall survive the expiration or termination, for any reason, of this Agreement.

### **6.2 Insurance.**

Prior to the commencement of any work of improvement upon the Site and without limiting the Developer's indemnity obligations set forth in the Agreement, the Developer shall procure and maintain in full force during the term of this Agreement, the following forms of insurance coverage:

(a) Workers' Compensation insurance which complies with all applicable state laws and requirements.

(b) Comprehensive General Liability insurance with limits not less than One Million Dollars (\$1,000,000) per occurrence and Two Million Dollars (\$2,000,000) general aggregate for bodily injury and property damage, including coverages for contractual liability, personal injury, broad form property damage, products and completed operations. The insurance company providing the insurance shall have at least an A rating and a financial class of at least VII.

(c) Property insurance covering all real and personal (non-expendable) property leased or purchased in connection with the completion of the Project in a form appropriate for the nature of such property, covering all risks of loss, excluding earthquake and flood, for 100% of the replacement value, with deductible, if any, acceptable to the City, naming the City as loss payee.

(d) The Developer shall cause the general contractor to maintain insurance of the types and in at least the minimum amounts described in subsections a. and b. above, and shall require that such insurance shall meet all of the general requirements of subsections e., f., and g. below. Unless waived by the City, liability insurance to be maintained by the general contractors pursuant to this subsection shall name the City as an additional insured, and its officers, agents, employees and representatives.

(e) The required insurance shall be provided under an occurrence form, and the Developer shall maintain such coverage continuously throughout the term of this Agreement. Should any of the required insurance be provided under a form of coverage that includes an annual aggregate limit or provides that claims investigation or legal defense costs be included in such annual aggregate limit, such annual aggregate limit shall be three times the occurrence limits specified above.

(f) Each insurance policy required by this Agreement shall contain the following clauses:

(1) "This insurance shall not be canceled, limited in scope or coverage, or non-renewed until after thirty (30) calendar days' prior written notice has been given to the City of Riverside."

(2) "It is agreed that the City of Riverside is self-insured and any insurance maintained by them shall apply in excess of and not concurrent with insurance provided by this policy."

(3) "The City of Riverside and its officers, agents, employees, representatives and volunteers are added as additional insureds with respect to operations and activities of, or on behalf of the named insured, performed under contract with the City of Riverside."

(g) Prior to the disbursement of any portion of the Loan Proceeds, the Developer shall deliver to the City insurance endorsements evidencing the existence of the insurance policies required by this Agreement, and including the applicable clauses referenced above.

(h) In addition to any other remedies the City may have if the Developer fails to provide or maintain any insurance policies or policy endorsements to the extent and within the time herein required, City may at its sole option:

(1) Obtain such insurance and deduct and retain the amount of the premiums for such insurance from the Loan Proceeds.

(2) Withhold any disbursement of the Loan Proceeds until the Developer demonstrates compliance with the requirements hereof.

(3) In the event the Developer has failed to commence curing such default within thirty (30) calendar days of notice or thereafter fails to diligently pursue such cure, declare the Developer to be in default, terminate this Agreement and declare that reimbursement of the Loan Proceeds is due and payable.

(4) Exercise of any of the above remedies shall not be deemed the exclusive remedy for the Developer's failure to maintain insurance or secure appropriate endorsements. Nothing herein contained shall be construed as limiting in any way the extent to which the Developer may be held responsible for payments of damages to persons or property resulting from the Developer's performance of the work covered under this Agreement.

## **7. DEFAULTS, REMEDIES AND TERMINATION**

### **7.1 Defaults – General.**

Subject to the extensions of time set forth at Section 3.2 above and below in this Section 7.1 and subject to the rights of senior lenders, (a) failure or delay by either party to substantially perform, comply with or observe any of the conditions, provisions, terms, covenants

or representations of this Agreement, including any of the Attachments hereto, or (b) the failure to go forward with the Project shall constitute an Event of Default (as defined below) under this Agreement. As provided herein below, the party who so fails or delays must immediately commence to cure, correct or remedy such failure or delay, and shall complete such cure, correction or remedy with diligence. The injured party shall give written notice of default to the party in default, specifying the default complained of by the injured party. Failure or delay in giving such notice shall not constitute a waiver of any default, nor shall it change the date of default.

Except as required to protect against further damages, the injured party may not institute legal proceedings against the party in default until an "Event of Default" (as such term is hereinafter defined) has occurred. For purposes of this Agreement, an "***Event of Default***" for purposes of instituting legal proceedings by a non-defaulting party against the defaulting party shall mean, in addition to the events constituting an Event of Default described in the paragraph directly above, a failure to satisfy, perform, comply with or observe any of the conditions, provisions, terms, covenants or representations contained in this Agreement, including any Attachment hereto, and such failure having continued uncured or without the defaulting party commencing to diligently cure such default for a period of thirty (30) calendar days after notice thereof in writing is mailed by the injured party to the defaulting party; provided, however, that if such event of default is of the nature that cannot be cured within such thirty (30) calendar day period and the defaulting party has diligently commenced and continued such efforts in good faith to cure, such party shall have such reasonable time to diligently prosecute such cure to completion. If a different period or notice requirement is specified for any particular default under any other provision of this Agreement, including any of the Attachments hereto, the specific provision shall control.

11. City's Remedies for Default; Cure.

a. Upon the occurrence of a default, the City shall provide Borrower written notice of said occurrence, and Borrower shall have thirty (30) calendar days to cure the default unless the City shall agree in writing to an extension of such cure period prior to its expiration, which consent shall not be unreasonably withheld, conditioned or delayed; provided, however, if the default is of the type which is incapable of being cured within thirty (30) calendar days, Borrower shall have such time as is reasonably necessary to cure such default, so long as Borrower has commenced such cure within such thirty (30) calendar days and continues to diligently proceed to cure such default. If, after the cure period provided in this subparagraph (a), (i) Borrower has not cured the default, and (ii) the City has not waived its rights under this Note, the entire unpaid balance, together with all unpaid sums then payable under this Note shall, at the option of the City, become immediately due and payable upon written notice by the City to Borrower without further demand.

b. If a default shall occur and be continuing beyond any applicable notice and cure period, the City may pursue all rights and remedies available under this Note or as may be otherwise available to the City.

c. Any cure of any default made or tendered by one or more of Borrower's limited partners shall be deemed to be a cure by Borrower and shall be accepted by the City as if made or tended by Borrower.

12. Limited Recourse. Notwithstanding any contrary provision contained in this Note, there shall be no personal liability of Borrower and its partners, and their respective members, directors, officers, employees and agents, and the liability of Borrower shall be limited to the Property securing the Note. The City shall, however, be entitled to institute an action, suit, claim or demand

against, and to recover a judgment against Borrower, but only for any deficiency and the cost of collection, and only to the extent that such deficiency results directly from: (a) intentional or willful misconduct, fraud or material misrepresentation by Borrower in connection with the representations and warranties provided by Borrower; (b) the misappropriation of any rents from the Property by Borrower after an event of default has occurred and the cure period for such an event of default has expired (to the full extent of such rents misappropriated by Borrower); (c) the willful removal or disposal by Borrower of personal property or fixtures of the Property constituting a significant value, except for that which occurs through reasonable maintenance and repair; (d) the misapplication or misappropriation by Borrower of any insurance proceeds or any condemnation award with respect to the Property to the extent of such insurance proceeds and/or condemnation award; or (e) the intentional or negligent waste of any portion of the Property by Borrower.

13. Notice. TO PROTECT THE SECURITY OF THIS DEED OF TRUST, TRUSTOR HEREBY COVENANTS AND AGREES AS FOLLOWS:

ARTICLE 1.  
COVENANTS AND AGREEMENTS OF TRUSTOR

1.1 Payment of Secured Obligations. Trustor shall immediately pay when due all amounts secured hereby.

1.2 Maintenance, Repair, Alterations. Subject to normal wear and tear, Trustor (a) shall keep the Property and the Improvements thereon in good condition and repair in accordance with the Loan Documents, including without limitation the Regulatory Agreement; (b) shall not

remove, demolish or substantially alter any of the Improvements except upon the prior written consent of Beneficiary; (c) shall complete promptly and in a good and workmanlike manner any Improvement which may be now or hereafter constructed on the Property and promptly restore in like manner any portion of the Improvements which may be damaged or destroyed thereon from any cause whatsoever, and pay when due all claims for labor performed and materials furnished therefore; (d) shall comply in all material respects with all laws, ordinances, regulations, covenants, conditions and restrictions now or hereafter affecting the Trust Estate or any part thereof or requiring any alterations or improvements; (e) shall not commit or permit any waste or deterioration of the Property or the Improvements; (f) shall not allow changes in the use for which all or any part of the Property or the Improvements were intended; and (g) shall not initiate or acquiesce in a change in the zoning classification of the Property and the Improvements without Beneficiary's prior written consent.

### 1.3 Required Insurance.

i) Trustor shall at all times provide, maintain and keep in force or cause to be provided, maintained and kept in force, at no expense to Trustee or Beneficiary, policies of insurance in accordance with the terms of the Loan Documents in form and amounts, providing for deductibles, and issued by companies, associations or organizations covering such casualties, risks, perils, liabilities and other hazards as required by the Loan Documents or by Beneficiary pursuant thereto.

ii) Trustor shall not obtain separate insurance concurrent in form or contributing in the event of loss with that required to be maintained hereunder unless Beneficiary is included thereon under a standard, non-contributory mortgagee clause or endorsement acceptable to Beneficiary. Trustor shall immediately notify Beneficiary whenever any such separate insurance is obtained and shall promptly deliver to Beneficiary the original policy or policies of such insurance.

iii) Within ninety (90) calendar days following the end of each fiscal year of Trustor, at the request of Beneficiary, Trustor at Trustor's expense shall furnish such evidence of replacement costs as the insurance carrier providing casualty insurance for the building(s) and other improvements on the Property may require to determine, or which such carrier may provide in determining, the then replacement cost of the building(s) and other improvements on the Property.

### 1.4 Delivery of Policies, Payment of Premiums.

(a) At Beneficiary's option Trustor shall furnish Beneficiary with a copy of all policies of insurance required under Section 1.3 above or evidence of insurance issued by the applicable insurance company for each required policy setting forth the coverage, the limits of liability, the name of the carrier, the policy number and the period of coverage, and otherwise in form and substance satisfactory to Beneficiary in all respects.

(b) In the event Trustor fails to provide, maintain, keep in force or deliver to Beneficiary the policies of insurance required by this Deed of Trust or by any Loan Documents,

Beneficiary may (but shall have no obligation to) procure such insurance or single-interest insurance for such risks covering Beneficiary's interest and Trustor will pay all premiums thereon and reimburse Beneficiary for all amounts paid or incurred by it in connection therewith promptly upon demand by Beneficiary and, until such payment and reimbursement is made by Trustor, the amount of all such premiums and amounts paid or incurred by Beneficiary shall become indebtedness secured by this Deed of Trust and bear interest at the Default Rate. Following an Event of Default for failure to maintain insurance in accordance with this Section 1.4 and upon written request by Beneficiary, Trustor shall deposit with Beneficiary in monthly installments, an amount equal to 1/12 of the estimated aggregate annual insurance premiums on all policies of insurance required by the Loan Documents or this Deed of Trust. In such event Trustor further agrees to cause all bills, statements or other documents relating to the foregoing insurance premiums to be sent or mailed directly to Beneficiary. Upon receipt of such bills, statements or other documents evidencing that a premium for a required policy is then payable, and providing Trustor has deposited sufficient funds with Beneficiary pursuant to this Section 1.4, Beneficiary shall timely pay such amounts as may be due thereunder out of the funds so deposited with Beneficiary. If at any time and for any reason the funds deposited with Beneficiary are or will be insufficient to pay such amounts as may be then or subsequently due, Beneficiary shall notify Trustor and Trustor shall immediately deposit an amount equal to such deficiency with Beneficiary. Notwithstanding the foregoing, nothing contained herein shall cause Beneficiary to be deemed a trustee of the funds or to be obligated to pay any amounts in excess of the amount of funds deposited with Beneficiary pursuant to this Section 1.4, nor shall anything contained herein modify the obligation of Trustor set forth in Section 1.3 hereof to maintain and keep such insurance in force at all times. Beneficiary may commingle the reserve with its own funds and Trustor shall be entitled to no interest thereon.

1.5 Casualties; Insurance Proceeds. Trustor shall give prompt written notice thereof to Beneficiary after the happening of any casualty to or in connection with the Property, the Improvements, or any part thereof, whether or not covered by insurance subject to the provisions of any senior liens, in the event of such casualty, all proceeds of insurance shall be payable to Beneficiary, whether required by the Loan Documents or otherwise, and Trustor hereby authorizes and directs any affected insurance company to make payment of such proceeds directly to Beneficiary. If Trustor receives any proceeds of insurance resulting from such casualty, whether required by the Loan Documents or otherwise, Trustor shall promptly pay over such proceeds to Beneficiary, except where the insurance proceeds for such casualty are less than \$50,000. Beneficiary is hereby authorized and is empowered by Trustor to settle, adjust or compromise any and all claims for loss, damage or destruction under any policy or policies of insurance. In the event of any damage or destruction of the Property or the Improvements, Beneficiary shall apply all loss proceeds remaining after deduction of all expenses of collection and settlement thereof, including, without limitation, reasonable fees and expenses of attorneys and adjustors, to the restoration of the Improvements, but only as repairs or replacements are effected and continuing expenses become due and payable and provided all applicable conditions specified in the Loan Documents with respect thereto have been satisfied. If any one or more of such conditions in the Loan Documents has not been met, Beneficiary shall not be obligated to make any further disbursements pursuant to the Note and Beneficiary shall apply all loss proceeds, after deductions as herein provided, to the repayment of any indebtedness thereunder, together with all accrued interest thereon, notwithstanding that the outstanding balance may not be due and payable and the

Agreement shall terminate. Nothing herein contained shall be deemed to excuse Trustor from repairing or maintaining the Property and the Improvements as provided in Section 1.2 hereof or restoring all damage or destruction to the Property or the Improvements, regardless of whether or not there are insurance proceeds available to Trustor or whether any such proceeds are sufficient in amount, and the application or release by Beneficiary of any insurance proceeds shall not cure or waive any Event of Default nor any notice of default under this Deed of Trust or invalidate any act done pursuant to such notice.

#### 1.6 Indemnification; Subrogation; Waiver of Offset.

(a) If Beneficiary is made a party to any litigation concerning this Deed of Trust or any of the Loan Documents, the Trust Estate or any part thereof or interest therein, or the occupancy of the Property or the Improvements by Trustor, then Trustor shall indemnify, defend and hold Beneficiary harmless from all liability by reason of that litigation, including reasonable attorneys' fees and expenses incurred by Beneficiary as a result of any such litigation, whether or not any such litigation is prosecuted to judgment, except to the extent that such liability is caused by the sole negligence or willful misconduct of Beneficiary. Beneficiary may employ an attorney or attorneys selected by it to protect its rights hereunder, and Trustor shall pay to Beneficiary reasonable attorneys' fees and costs incurred by Beneficiary, whether or not an action is actually commenced against Trustor by reason of its breach.

(b) Trustor waives any and all right to claim or recover against Trustee, Beneficiary, and their respective officers, employees, agents and representatives, for loss of or damage to Trustor, the Trust Estate, Trustor's property or the property of others under Trustor's control from any cause insured against or required to be insured against by the provisions of this Deed of Trust.

(c) All sums payable by Trustor in accordance with the terms of this Deed of Trust, the Note or the Agreement shall be paid upon notice and demand and without counterclaim, setoff, deduction or defense and without abatement, suspension, deferment, diminution or reduction, and the obligations and liabilities of Trustor hereunder shall in no way be released, discharged or otherwise affected (except as expressly provided herein) by reason of: (i) any damage to or destruction of or any condemnation or similar taking of the Trust Estate or any part thereof; (ii) any restriction or prevention of or interference by any third party with any use of the Trust Estate or any part thereof; (iii) any title defect or encumbrance or any eviction from the Improvements or any part thereof by title paramount or otherwise; (iv) any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation or other like proceeding relating to Beneficiary, or any action taken with respect to this Deed of Trust by any trustee or receiver of Beneficiary, or by any court, in any such proceeding; (v) any claim which Trustor has or might have against Beneficiary, which does not relate to the City Loan; or (vi) any other occurrence whatsoever, whether similar or dissimilar to the foregoing; whether or not Trustor shall have notice or knowledge of any of the foregoing. Except as expressly provided herein and subject to any limitation thereon provided by law, Trustor waives all rights now or hereafter conferred by statute or otherwise to any abatement, suspension, deferment, diminution or reduction of any sum secured hereby and payable by Trustor.

## 1.7 Taxes and Impositions.

(a) As used herein, "Impositions" shall mean all real property taxes and assessments, general and special, and all other taxes and assessments of any kind or nature whatsoever, including, without limitation, nongovernmental levies or assessments such as maintenance charges, levies or charges resulting from covenants, conditions and restrictions affecting the Trust Estate, which are assessed or imposed upon the Trust Estate or any portion of it, or become due and payable, and which create, may create or appear to create a lien upon the Trust Estate, or any part thereof, or upon any person, property, equipment or other facility used in the operation or maintenance thereof, or any tax or assessment on the Trust Estate, or any part of it, in lieu thereof or in addition thereto, or any license fee, tax or assessment imposed on Beneficiary and measured by or based in whole or in part upon the amount of the outstanding obligations secured hereby. Trustor shall pay all Impositions prior to delinquency. Trustor shall deliver to Beneficiary proof of the payment of the Impositions within thirty (30) calendar days after such Impositions are due.

(b) After an Event of Default by Trustor and upon written request by Beneficiary, Trustor shall pay to Beneficiary, unless the Property and Improvements have received an ad valorem property tax exemption pursuant to subdivision (f) or (g) of Section 214 of the California Revenue and Taxation Code, an initial cash reserve in an amount adequate to pay all Impositions for the ensuing tax fiscal year and shall thereafter continue to deposit with Beneficiary, in monthly installments, an amount equal to 1/12 of the sum of the annual Impositions reasonably estimated by Beneficiary, for the purpose of paying the installment of Impositions next due on the Property and the Improvements (funds deposited for this purpose shall hereinafter be referred to as "Impounds"). In such event Trustor further agrees to cause all bills, statements or other documents relating to Impositions to be sent or mailed directly to Beneficiary. Upon receipt of such bills, statements or other documents, and providing Trustor has deposited sufficient Impounds with Beneficiary pursuant to this Section 1.7(b), Beneficiary shall timely pay such amounts as may be due thereunder out of the Impounds so deposited with Beneficiary. If at any time and for any reason the Impounds deposited with Beneficiary are or will be insufficient to pay such amounts as may then or subsequently be due, Beneficiary may notify Trustor and upon such notice Trustor shall deposit immediately an amount equal to such deficiency with Beneficiary. If after the payment of the Impositions there shall be an excess amount held by Beneficiary, such excess amount shall be refunded to Trustor in any manner and in such amount as Beneficiary may elect. Beneficiary may commingle Impounds with its own funds and shall not be obligated to pay or allow any interest on any Impounds held by Beneficiary pending disbursement or application hereunder. Beneficiary may reserve for future payment of Impositions such portion of the Impounds as Beneficiary may in its absolute discretion deem proper.

(c) Upon an Event of Default under any of the Loan Documents or this Deed of Trust, Beneficiary may apply the balance of the Impounds upon any indebtedness or obligation secured hereby in such order as Beneficiary may determine, notwithstanding that the indebtedness or the performance of the obligation may not yet be due according to the terms thereof. Should Trustor fail to deposit with Beneficiary (exclusive of that portion of the payments which has been applied by Beneficiary upon any indebtedness or obligation secured hereby) sums sufficient to

fully pay such Impositions before delinquency thereof, Beneficiary may, at Beneficiary's election, but without any obligation so to do, advance any amounts required to make up the deficiency, which advances, if any, shall bear interest at the Default Rate, shall be secured hereby and shall be repayable to Beneficiary as herein elsewhere provided, or at the option of Beneficiary the latter may, without making any advance whatever, apply any Impounds held by it upon any indebtedness or obligation secured hereby in such order as Beneficiary may determine, notwithstanding that the indebtedness or the performance of the obligation may not yet be due according to the terms thereof. Should any Event of Default occur or exist on the part of Trustor in the payment or performance of any of Trustor's obligations under the terms of the Loan Documents, Beneficiary may, at any time at Beneficiary's option, apply any sums or amounts in its possession received pursuant to Sections 1.4(b) and 1.7(b) hereof, or as Rents of the Property or the Improvements, or any portion thereof, or otherwise, to any indebtedness or obligation of Trustor secured hereby in such manner and order as Beneficiary may elect, notwithstanding the indebtedness or the performance of the obligation may not yet be due according to the terms thereof. The receipt, use or application of any such Impounds paid by Trustor to Beneficiary hereunder shall not be construed to affect the maturity of any indebtedness secured by this Deed of Trust or any of the rights or powers of Beneficiary or Trustee under the terms of the Loan Documents or any of the obligations of Trustor or any guarantor under the Loan Documents.

iv) Trustor shall not suffer, permit or initiate the joint assessment of any real and personal property which may constitute any portion of the Trust Estate or suffer, permit or initiate any other procedure whereby the lien of the real property taxes and the lien of the personal property taxes shall be assessed, levied or charged to the Trust Estate, or any portion of it, as a single lien.

v) If requested by Beneficiary, Trustor shall cause to be furnished to Beneficiary a tax reporting service covering the Property and the Improvements of the type, duration and with a company satisfactory to Beneficiary.

vi) If, by the laws of the United States of America, or of the State of California or any political subdivision thereof having jurisdiction over Trustor, Beneficiary or the Trust Estate or any portion thereof, any tax, assessment or other payment is due or becomes due in respect of the issuance of the Note or the recording of this Deed of Trust, Trustor covenants and agrees to pay each such tax, assessment or other payment in the manner required by any such law. Trustor further covenants to defend and hold harmless and agrees to indemnify Beneficiary, its successors or assigns, against any liability incurred by reason of the imposition of any tax, assessment or other payment on the issuance of the Note or the recording of this Deed of Trust.

1.8 Utilities. Trustor shall pay or shall cause to be paid when due all utility charges which are incurred by Trustor for the benefit of the Property or the Improvements and all other assessments or charges of a similar nature, whether or not such charges are or may become liens thereon.

1.9 Actions Affecting Trust Estate. Trustor shall promptly give Beneficiary written notice of and shall appear in and contest any action or proceeding purporting to affect any portion of the Trust Estate or the security hereof or the rights or powers of Beneficiary or Trustee; and

shall pay all costs and expenses, including the cost of evidence of title and reasonable attorneys' fees, in any such action or proceeding in which Beneficiary or Trustee may appear.

1.10 Actions By Trustee or Beneficiary to Preserve Trust Estate. During the continuation of an event of default, Beneficiary and/or Trustee, each in its own discretion, without obligation so to do, without releasing Trustor from any obligation, and without notice to or demand upon Trustor, may make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof. In connection therewith (without limiting their general powers, whether conferred herein, in any other Loan Documents or by law), Beneficiary and Trustee shall have and are hereby given the right, but not the obligation, (a) to enter upon and take possession of the Property and the Improvements; (b) to make additions, alterations, repairs and improvements to the Property and the Improvements which they or either of them may consider necessary or proper to keep the Property or the Improvements in good condition and repair; (c) to appear and participate in any action or proceeding affecting or which may affect the security hereof or the rights or powers of Beneficiary or Trustee; (d) to pay, purchase, contest or compromise any encumbrance, claim, charge, lien or debt which in the judgment of either may affect or appears to affect the security of this Deed of Trust or be prior or superior hereto; and (e) in exercising such powers, to pay necessary expenses, including reasonable attorneys' fees and costs or other necessary or desirable consultants. Trustor shall, immediately upon demand therefor by Beneficiary and Trustee or either of them, pay to Beneficiary and Trustee an amount equal to all respective costs and expenses incurred by such party in connection with the exercise of the foregoing rights, including, without limitation, reasonable costs of evidence of title, court costs, appraisals, surveys and receiver's, trustee's and attorneys' fees, together with interest thereon from the date of such expenditures at the Default Rate.

1.11 Transfer of Trust Estate by Trustor. Subject to the provisions of the Agreement, in the event the Trust Estate or any part thereof, or any interest therein is sold, transferred or leased in violation of Section 2 of the Agreement, Beneficiary shall have the absolute right at its option, upon notice and demand in accordance with Section 8 of the Agreement, to declare all sums secured hereby immediately due and payable. Consent to one such transaction shall not be deemed to be a waiver of the right to require consent to future or successive transactions. As a condition of the City Loan, Trustor agrees for itself, its successors and assigns that the use of the Property shall be subject to the restrictions on rent and occupancy and use of the Property set forth in the Loan Documents, including without limitation, the Regulatory Agreement.

1.12 Survival of Warranties. All representations, warranties and covenants of Trustor contained in the Loan Documents or incorporated by reference therein, shall survive the execution and delivery of this Deed of Trust and shall remain continuing obligations, warranties and representations of Trustor so long as any portion of the obligations secured by this Deed of Trust remains outstanding.

1.13 Eminent Domain.

(a) Subject to the provisions of any senior liens, in the event that any proceeding or action be commenced for the taking of the Trust Estate, or any part thereof or interest therein, for public or quasi-public use under the power of eminent domain, condemnation or

otherwise, or if the same be taken or damaged by reason of any public improvement or condemnation proceeding, or in any other manner, or should Trustor receive any notice or other information regarding such proceeding, action, taking or damage, Trustor shall give prompt written notice thereof to Beneficiary. Beneficiary shall be entitled at its option, without regard to the adequacy of its security, to commence, appear in and prosecute in its own name any such action or proceeding so long as the probable compensation exceeds \$50,000. Beneficiary shall also be entitled to make any compromise or settlement in connection with such taking or damage. All compensation, awards, damages, rights of action and proceeds awarded to Trustor by reason of any such taking or damage ("Condemnation Proceeds") are hereby assigned to Beneficiary and Trustor agrees to execute such further assignments of the Condemnation Proceeds as Beneficiary or Trustee may require. After deducting therefrom all costs and expenses (regardless of the particular nature thereof and whether incurred with or without suit), including reasonable attorneys' fees, incurred by it in connection with any such action or proceeding, subject to any applicable terms of the Agreement, Beneficiary shall apply all such Condemnation Proceeds to the restoration of the Improvements, provided that (i) the taking or damage will not, in Beneficiary's reasonable judgment, materially and adversely affect the contemplated use and operation of Property and the Improvements; and (ii) all applicable conditions set forth in the Agreement are met. If all of the above conditions are met, Beneficiary shall disburse the Condemnation Proceeds only as repairs or replacements are effected and continuing expenses become due and payable.

(b) If any one or more of such conditions is not met, Beneficiary shall apply all of the Condemnation Proceeds, after deductions as herein provided, to the repayment of the outstanding balance of the Note, together with all accrued interest thereon, notwithstanding that the outstanding balance may not be due and payable; and Beneficiary shall have no further obligation to make disbursements pursuant to the Agreement or the other Loan Documents. If the Condemnation Proceeds are not sufficient to repay the Note in full, Trustor shall have no obligation to pay any remaining balance. Application or release of the Condemnation Proceeds as provided herein shall not cure or waive any Event of Default or notice of default hereunder or under any other City Document or invalidate any act done pursuant to such notice.

1.14 Additional Security. No other security now existing, or hereafter taken, to secure the obligations secured hereby shall be impaired or affected by the execution of this Deed of Trust and all additional security shall be taken, considered and held as cumulative. The taking of additional security, execution of partial releases of the security, or any extension of the time of payment of the indebtedness shall not diminish the force, effect or lien of this Deed of Trust and shall not affect or impair the liability of any Trustor, surety or endorser for the payment of the indebtedness. In the event Beneficiary at any time holds additional security for any of the obligations secured hereby, it may enforce the sale thereof or otherwise realize upon the same, at its option, either before, concurrently, or after a sale is made hereunder.

1.15 Successors and Assigns. This Deed of Trust applies to, inures to the benefit of and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term "Beneficiary" shall mean the Developer and holder of the Note, whether or not named as Beneficiary herein. In exercising any rights hereunder or taking any actions provided for herein, Beneficiary may act through its employees, agents or independent contractors authorized by Beneficiary.

1.16 Inspections. Beneficiary, or its agents, representatives or employees, are authorized to enter upon or in any part of the Property and the Improvements at any reasonable time following reasonable written notice of no less than forty-eight (48) hours in advance thereof for the purpose of inspecting the same and for the purpose of performing any of the acts it is authorized to perform hereunder or under the terms of any of the Loan Documents. Without limiting the generality of the foregoing, Trustor agrees that Beneficiary will have the same right, power and authority to enter and inspect the Property and the Improvements as is granted to a secured lender under Section 2929.5 of the California Civil Code, and that Beneficiary will have the right to appoint a receiver to enforce this right to enter and inspect the Property and the Improvements to the extent such authority is provided under California law, including the authority given to a secured lender under Section 564(c) of the California Code of Civil Procedure.

1.17 Liens. Trustor shall pay and promptly discharge, at Trustor's cost and expense, all liens, encumbrances and charges upon the Trust Estate, or any part thereof or interest therein, subject to Trustor's right to contest in good faith any such liens, encumbrances and charges. Trustor shall remove or have removed any levy or attachment made on any of the Property or any part thereof, or assure the satisfaction thereof within a reasonable time. Despite the foregoing, Trustor shall not be required to prepay any consensual lien or encumbrance against the Trust Estate which has been consented to in writing by Beneficiary. If Trustor shall fail to remove and discharge any such lien, encumbrance or charge, then, in addition to any other right or remedy of Beneficiary, Beneficiary may, but shall not be obligated to, discharge the same, either by paying the amount claimed to be due, or by procuring the discharge of such lien, encumbrance or charge by depositing in a court a bond or the amount claimed or otherwise giving security for such claim, or by procuring such discharge in such manner as is or may be prescribed by law. Trustor shall, immediately upon demand therefor by Beneficiary, pay to Beneficiary an amount equal to all costs and expenses incurred by Beneficiary in connection with the exercise by Beneficiary of the foregoing right to discharge any such lien, encumbrance or charge, together with interest thereon from the date of such expenditure at the Default Rate.

1.18 Trustee's Powers. At any time, or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed of Trust and the Note secured hereby for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby or the effect of this Deed of Trust upon the remainder of the Trust Estate, Trustee may (a) reconvey any part of the Trust Estate, (b) consent in writing to the making of any map or plat thereof, (c) join in granting any easement thereon, or (d) join in any extension agreement or any agreement subordinating the lien or charge hereof.

1.19 Beneficiary's Powers. Without affecting the liability of any other person liable for the payment of any obligation herein mentioned, and without affecting the lien or charge of this Deed of Trust upon any portion of the Trust Estate not then or theretofore released as security for the full amount of all unpaid obligations, Beneficiary may, from time to time and without notice (a) release any person so liable, (b) extend the maturity or alter any of the terms of any such obligation, (c) grant other indulgences, (d) release or reconvey, or cause to be released or reconveyed at any time at Beneficiary's option any parcel, portion or all of the Trust Estate, (e)

take or release any other or additional security for any obligation herein mentioned, or (f) make compositions or other arrangements with debtors in relation thereto.

1.20 Personal Liability. The security interest in the Property granted to Beneficiary pursuant to this Deed of Trust shall be subordinate only to the senior financing to which Beneficiary has expressly subordinated and such exceptions to title shown in the title report for the Property which are approved in writing by Beneficiary. Neither Trustor nor any partner or officer of Trustor shall have any direct or indirect personal liability for payment of the principal of, or interest on, the Note. The Note constitutes a recourse obligation of Trustor until recordation of the Release of Construction Covenants in the official records of the County of Riverside, California.

Subsequent to the recordation of the Release of Construction Covenants in the official records of the County of Riverside, California, the sole recourse of Beneficiary with respect to the principal of, or interest on, the Note shall be to the Property securing the indebtedness evidenced by the Note. No judgment, or execution thereon, entered in any action, legal or equitable, on the Note or this Deed of Trust securing the Note shall be enforced personally against Trustor or, if Trustor shall be a partnership, any partner of Trustor, but shall be enforced only against Trustor and such other or further security as, from time to time, may be hypothecated for the Note; provided, however, that nothing contained in the foregoing limitation of liability shall (a) limit or impair the enforcement against all such security for the Note of all the rights and remedies of Beneficiary, or (b) be deemed in any way to impair the right of Beneficiary to assert the unpaid principal amount of the Promissory Note as a demand for money within the meaning and intent of Section 431.70 of the California Code of Civil Procedure or any successor provision thereto. The foregoing limitation of liability is intended to apply only to the obligation for the repayment of the principal of, and payment of interest on the Promissory Note; nothing contained therein is intended to relieve Trustor and, if Trustor is a partnership, any general partner of Trustor of liability for (i) fraud or willful misrepresentation; (ii) the failure to pay taxes, assessments or other charges which may create liens on the real property described in the Loan Documents that are payable or applicable prior to any foreclosure under this Deed of Trust (to the full extent of such taxes, assessments or other charges); (iii) the retention of any rental income or other income arising with respect to the Project collected by Trustor after Beneficiary has given any notice that Trustor is in default to the full extent of the rental income or other income retained and collected by Trustor after the giving of any such notice; (iv) the fair market value as of the time of the giving of any notice referred to in subparagraph (iii) above of any personal property or fixtures removed or disposed of by Trustor other than in accordance with the Loan Documents after the giving of any notice referred to above; and (v) the misapplication of any proceeds under any insurance policies or awards resulting from condemnation or the exercise of the power of eminent domain or by reason of damage, loss or destruction to any portion of the Project; and (vi) breach of any environmental covenant or representation made by Trustor relating to the Project.

1.21 Indemnity. In addition to any other indemnities to Beneficiary specifically provided for in this Deed of Trust and/or in the Agreement, Trustor hereby indemnifies, and shall defend and save harmless, Beneficiary and its authorized representatives from and against any and all losses, liabilities, suits, obligations, fines, damages, penalties, claims, costs, charges and expenses, including, without limitation, architects', engineers' and reasonable attorneys' fees and

all disbursements which may be imposed upon, incurred by or asserted against Beneficiary and its authorized representative by reason of: (a) the construction of any improvements on the Property, (b) any capital improvements, other work or things done in, on or about the Property or any part thereof, (c) any use, nonuse, misuse, possession, occupation, alteration, operation, maintenance or management of any portion of the Trust Estate or any part thereof or any street, drive, sidewalk, curb, passageway or space comprising a part thereof or adjacent thereto, (d) any negligence or willful act or omission on the part of Trustor and its agents, contractors, servants, employees, licensees or invitees, (e) any accident, injury (including death) or damage to any person or property occurring in, on or about the Property or any part thereof, (f) any lien or claim which may be alleged to have arisen on, against, or with respect to any portion of the Trust Estate under the laws of the local or state government or any other governmental or quasi-governmental authority or any liability asserted against Beneficiary with respect thereto, (g) any tax attributable to the execution, delivery, filing or recording of this Deed of Trust, the Note or the Agreement, (h) any contest due to Trustor's actions or failure to act, permitted pursuant to the provisions of this Deed of Trust, (i) subject to the nonrecourse provisions set forth in Section 1.20, any Event of Default under the Note, the Regulatory Agreement, this Deed of Trust or the Agreement, or (j) any claim by or liability to any contractor or subcontractor performing work or any party supplying materials in connection with the Property or the Improvements, except to the extent caused by Beneficiary's sole negligence or willful misconduct.

## ARTICLE 2 ASSIGNMENT OF RENTS, ISSUES AND PROFITS

2.1 Assignment. Subject to the effect of an assignment of leases and rents to any senior lenders, if any, Trustor hereby irrevocably, absolutely, presently and unconditionally assigns and transfers to Beneficiary all the Rents of or from any portion of the Trust Estate, and hereby gives to and confers upon Beneficiary the right, power and authority to collect such Rents. Trustor irrevocably appoints Beneficiary its true and lawful attorney-in-fact, at the option of Beneficiary at any time and from time to time, to demand, receive and enforce payment, to give receipts, releases and satisfactions, and to sue, in the name of Trustor, Trustee or Beneficiary, for all such Rents, and apply the same to the indebtedness secured hereby; provided, however, that so long as an Event of Default shall not have occurred hereunder and be continuing, Trustor shall have the right to collect such Rents. Upon the request of Beneficiary, Trustor shall execute and deliver to Beneficiary, in recordable form, a specific assignment of any leases now or hereafter affecting the Trust Estate or any portion thereof to evidence further the assignment hereby made. The Assignment of Rents in this Article 2 is intended to be an absolute assignment from Trustor to Beneficiary and not merely an assignment for security only.

2.2 Election of Remedies. Subject to Trustor's right to collect the Rents pursuant to Section 2.1, Beneficiary may, either in person, by agent or by a receiver appointed by a court, enter upon and take possession of all or any portion of the Property and the Improvements, enforce all Leases, in its own name sue for or collect all Rents, including those past due and unpaid, and apply the same to the costs and expenses of operation and collection, including, without limitation, reasonable attorneys' fees, and to any indebtedness then secured hereby, in such order as Beneficiary may determine. The collection of such Rents, or the entering upon and taking possession of the Property or the Improvements, or the application thereof as provided above, shall

not cure or waive any Event of Default or notice of default hereunder or under any of the Loan Documents or invalidate any act done in response to such Event of Default or pursuant to such notice of default.

### ARTICLE 3 REMEDIES UPON DEFAULT

3.1 Events of Default. For all purposes hereof, the term "Event of Default" shall mean (a) at Beneficiary's option, the failure of Trustor to pay any amount due hereunder or under the Note when the same is due and payable, whether by acceleration or otherwise, (b) the failure of Trustor to perform any non-monetary obligation hereunder, or the failure to be true in any material respect when made of any representation or warranty of Trustor contained herein, without curing such failure within ten (10) calendar days after receipt of written notice from City (or from any party authorized by City to deliver such notice as identified by City in writing to Trustor), and the continuance of such failure for thirty (30) calendar days after notice, provided that such default cannot reasonably be cured within thirty (30) calendar days, Trustor shall have such additional time as may be reasonably necessary if Trustor commences to cure such default within such thirty (30) calendar day period and thereafter diligently prosecutes such cure to completion, or (c) the existence of any Event of Default under the other Loan Documents.

3.2 Acceleration Upon Default, Additional Remedies. Subject to the rights of senior lenders, upon the occurrence of an Event of Default, Beneficiary may, at its option, declare all indebtedness secured hereby to be immediately due and payable upon notice and demand. Thereafter Beneficiary may:

i) Either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court and without regard to the adequacy of its security, enter upon and take possession of the Property and the Improvements, or any part thereof, in its own name or in the name of Trustee, and do any acts which it deems necessary or desirable to preserve the value, marketability or rentability of any portion of the Trust Estate, including, without limitation (i) taking possession of Trustor's books and records with respect to the Property and Improvements, (ii) completing the construction of the Improvements, (iii) maintaining or repairing the Improvements or any other portion of the Trust Estate, (iv) increasing the income from the Trust Estate, with or without taking possession of the Property or the Improvements, (v) entering into, modifying, or enforcing Leases, (vi) suing for or otherwise collecting the Rents or other amounts owing to Trustor, including those past due and unpaid, and (vii) applying the same, less costs and expenses of operation and collection including, without limitation, attorneys' fees, upon any indebtedness secured hereby, all in such order as Beneficiary may determine. The entering upon and taking possession of the Property or the Improvements, the collection of such Rents and the application thereof as provided above, shall not cure or waive any Event of Default under the Loan Documents or this Deed of Trust or notice of default hereunder;

ii) Commence an action to foreclose this Deed of Trust as a mortgage, appoint a receiver, or specifically enforce any of the covenants hereof;

iii) Deliver to Trustee a written declaration of default and demand for sale and a written notice of default and election to cause Trustor's interest in the Trust Estate to be sold, which notice Trustee or Beneficiary shall cause to be duly filed of record in the Official Records of the county in which the Property is located; or

iv) Exercise all other rights and remedies provided herein, in any of the Loan Documents or other document now or hereafter securing all or any portion of the obligations secured hereby, or by law.

3.3 Foreclosure by Power of Sale. Should Beneficiary elect to foreclose by exercise of the power of sale herein contained, Beneficiary shall notify Trustee and shall deposit with Trustee this Deed of Trust and the Note and such receipts and evidence of expenditures made and secured hereby as Trustee may require.

(a) Beneficiary or Trustee shall give such notice of default and election to sell as is then required by applicable law. Trustee shall, without demand on Trustor, after lapse of such time as may then be required by law and after recordation of such notice of default and after notice of sale having been given as required by law, sell the Trust Estate at the time and place of sale fixed by it in the notice of sale, either as a whole, or in separate lots or parcels or items as Beneficiary shall deem expedient, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States payable at the time of sale. Trustee shall deliver to such purchaser or purchasers thereof a trustee's deed conveying the property so sold, which shall not contain any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including, without limitation, Trustor, Trustee or Beneficiary, may purchase at such sale and Beneficiary shall be entitled to pay the purchase price by crediting the purchase price of the property against the obligations secured hereby. Trustor hereby covenants to warrant and defend the title of such purchaser or purchasers.

(b) After deducting all costs, fees and expenses of Trustee and of this Trust, including costs of evidence of title in connection with sale, Trustee shall apply the proceeds of sale in the following priority, to payment of: (i) first, all sums expended under the terms hereof, not then repaid, with accrued interest at the Default Rate; (ii) second, all other sums then secured hereby; and (iii) the remainder, if any, to the person or persons legally entitled thereto.

(c) Subject to California Civil Code 2924g, Trustee may postpone sale of all or any portion of the Trust Estate by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement or subsequently noticed sale, and without further notice make such sale at the time fixed by the last postponement, or may, in its discretion, give a new notice of sale.

3.4 Appointment of Receiver. Upon the occurrence of an Event of Default hereunder, Beneficiary, as a matter of right and without notice to Trustor or anyone claiming under Trustor, and without regard to the then value of the Trust Estate or the adequacy for any security for the obligations then secured hereby, shall have the right to apply to any court having jurisdiction to appoint a receiver or receivers of the Trust Estate, and Trustor hereby irrevocably consents to such

appointment and waives notice of any application therefor. Any such receiver or receivers shall have all the usual powers and duties of receivers in like or similar cases and all the powers and duties of Beneficiary in case of entry as provided herein.

3.5 Remedies Not Exclusive. Trustee and Beneficiary, and each of them, shall be entitled to enforce payment and performance of any indebtedness or obligations secured hereby and to exercise all rights and powers under this Deed of Trust or under any Loan Documents or other agreement or any laws now or hereafter in force, notwithstanding some or all of the indebtedness and obligations secured hereby may now or hereafter be otherwise secured, whether by mortgage, deed of trust, pledge, lien, assignment or otherwise. Neither the acceptance of this Deed of Trust nor its enforcement whether by court action or pursuant to the power of sale or other powers herein contained, shall prejudice or in any manner affect Trustee's or Beneficiary's right to realize upon or enforce any other security now or hereafter held by Trustee or Beneficiary, it being agreed that Trustee and Beneficiary, and each of them, shall be entitled to enforce this Deed of Trust and any other security now or hereafter held by Beneficiary or Trustee in such order and manner as they or either of them may in their absolute discretion determine. No remedy herein conferred upon or reserved to Trustee or Beneficiary is intended to be exclusive of any other remedy herein or by law provided or permitted, but each shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute. Every power or remedy given by any of the Loan Documents to Trustee or Beneficiary or to which either of them may be otherwise entitled, may be exercised, concurrently or independently, from time to time and as often as may be deemed expedient by Trustee or Beneficiary and either of them may pursue inconsistent remedies.

3.6 Request for Notice. Trustor hereby requests a copy of any notice of default and that any notice of sale hereunder be mailed to it at the address set forth in Section 4.3 of this Deed of Trust.

3.7 Forbearance by Lender Not a Waiver. Any forbearance by Beneficiary in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any right or remedy. The acceptance by Beneficiary of payment of any sum secured by this Deed of Trust after the due date of such payment shall not be a waiver of Beneficiary's right either to require prompt payment when due of all other sums so secured or to declare an Event of Default for failure to make prompt payment. The procurement of insurance or this payment of taxes or other liens or charges by Beneficiary shall not be a waiver of Beneficiary's right to accelerate the maturity of the indebtedness secured by this Deed of Trust nor shall Beneficiary's receipt of any awards, proceeds or damages under this Deed of Trust operate to cure or waive any Event of Default with respect to any payment secured by this Deed of Trust.

3.8 Environmental Provisions. Without limiting any of the remedies provided in the Loan Documents, Trustor acknowledges and agrees that portions of Section 4 of the Agreement and Section 1.2 of this Deed of Trust are environmental provisions (as defined in Section 736(f)(2) of the California Code of Civil Procedure) made by Trustor relating to the real property security (the "Environmental Provisions"), and that Trustor's failure to comply with the Environmental Provisions is a breach of contract such that Beneficiary shall have the remedies provided under

Section 736 of the California Code of Civil Procedure ("Section 736") for the recovery of damages and for the enforcement of the Environmental Provisions. Pursuant to Section 736, Beneficiary's action for recovery of damages or enforcement of the Environmental Provisions shall not constitute an action within the meaning of Section 726(a) of the California Code of Civil Procedure or constitute a money judgment for a deficiency or a deficiency judgment within the meaning of Sections 580a, 580b, 580d, or 726(b) of the California Code of Civil Procedure. Other than the remedy provided under Section 736, all remedies provided for by the Loan Documents are separate and distinct causes of action that are not abrogated, modified, limited or otherwise affected by the remedies provided under Section 736(a) of the California Code of Civil Procedure.

#### ARTICLE 4. MISCELLANEOUS

4.1 Amendments. This instrument cannot be waived, changed, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of any waiver, change, discharge or termination is sought.

4.2 Trustor Waiver of Rights. Trustor waives to the extent permitted by law, (a) the benefit of all laws now existing or that may hereafter be enacted providing for any appraisalment before sale of any portion of the Trust Estate, (b) all rights of redemption, valuation, appraisalment, stay of execution, notice of election to mature or declare due the whole of the secured indebtedness and marshalling in the event of foreclosure of the liens hereby created, (c) all rights and remedies which Trustor may have or be able to assert by reason of the laws of the State of California pertaining to the rights and remedies of sureties, (d) the right to assert any statute of limitations as a bar to the enforcement of the lien of this Deed of Trust or to any action brought to enforce the Agreement or any other obligation secured by this Deed of Trust, and (e) any rights, legal or equitable, to require marshalling of assets or to require upon foreclosure sales in a particular order, including any rights under California Civil Code § 2899 and 3433. Beneficiary shall have the right to determine the order in which any or all of the Trust Estate shall be subjected to the remedies provided herein. Beneficiary shall have the right to determine the order in which any or all portions of the indebtedness secured hereby are satisfied from the proceeds realized upon the exercise of the remedies provided herein. Nothing contained herein shall be deemed to be a waiver of Trustor's rights under Section 2924c of the California Civil Code.

4.3 Notices. All notices and demands given under the terms hereof shall be in writing and sent by first-class registered or certified mail, postage prepaid, return receipt requested, or by private courier service which provides evidence of delivery. Unless a different address is given by any party as provided in this Section 4.3, all such communication will be addressed as follows:

Any Notice shall be deemed received immediately if delivered by hand and shall be deemed received on the third (3rd) calendar day from the date it is postmarked if delivered by registered or certified mail. Each party shall promptly notify the other party of any change(s) of address to which notice shall be sent. Any address for service of notice on any party may be changed by that party serving a notice upon the other of the new address, except that any change of address to a post office box shall not be effective unless a street address is also specified for use in effectuating personal service.

4.4 Acceptance by Trustee. Trustee accepts this Trust when this Deed of Trust, duly executed and acknowledged, is made a public record as provided by law.

4.5 Captions. The captions or headings at the beginning of each Section hereof are for the convenience of the parties and are not a part of this Deed of Trust.

4.6 Invalidity of Certain Provisions. Every provision of this Deed of Trust is intended to be severable. In the event any term or provision hereof is declared to be illegal, invalid or unenforceable for any reason whatsoever by a court of competent jurisdiction, such illegality or invalidity shall not affect the balance of the terms and provisions hereof, which terms and provisions shall remain binding and enforceable.

4.7 Subrogation. To the extent that proceeds of the Note are used to pay any outstanding lien, charge or prior encumbrance against the Trust Estate, such proceeds have been or will be advanced by Beneficiary at Trustor's request and Beneficiary shall be subrogated to any and all rights and liens held by any Developer or holder of such outstanding liens, charges and prior encumbrances, irrespective of whether the liens, charges or encumbrances are released.

4.8 Attorneys' Fees. If any payment secured hereby is not paid when due, Trustor promises to pay all costs of enforcement and collection, including but not limited to, reasonable attorneys' fees, whether or not such enforcement and collection includes the filing of a lawsuit. As used herein, the terms "attorneys' fees" or "attorneys' fees and costs" shall mean the reasonable fees and expenses of counsel to the parties hereto (including, without limitation, in-house counsel employed by Beneficiary) which may include printing, duplicating and other expenses, air freight charges, and fees billed for law clerks, paralegals and others not admitted to the bar but performing services under the supervision of an attorney. The terms "attorneys' fees" or "attorneys' fees and costs" shall also include, without limitation, all such reasonable fees and expenses incurred with

respect to appeals, arbitrations and bankruptcy proceedings, and whether or not any action or proceeding is brought with respect to the matter for which said fees and expenses were incurred.

4.9 No Merger of Lease. If both the lessor's and lessee's estate under any lease or any portion thereof which now or hereafter constitutes a part of the Trust Estate shall at any time become vested in one Developer, this Deed of Trust and the lien created hereby shall not be destroyed or terminated by application of the doctrine of merger unless Beneficiary so elects as evidenced by recording a written declaration so stating, and, unless and until Beneficiary so elects, Beneficiary shall continue to have and enjoy all of the rights and privileges of Beneficiary as to the separate estates. In addition, upon the foreclosure of the lien created by this Deed of Trust on the Trust Estate pursuant to the provisions hereof, any leases or subleases then existing and affecting all or any portion of the Trust Estate shall not be destroyed or terminated by application of the law of merger or as a matter of law or as a result of such foreclosure unless Beneficiary or any purchaser at such foreclosure sale shall so elect. No act by or on behalf of Beneficiary or any such purchaser shall constitute a termination of any lease or sublease unless Beneficiary or such purchaser shall give written notice thereof to such tenant or subtenant.

4.10 Governing Law. This Deed of Trust shall be governed by and construed in accordance with the laws of the State of California.

4.11 Joint and Several Obligations. Should this Deed of Trust be signed by more than one party, all obligations herein contained shall be deemed to be the joint and several obligations of each party executing this Deed of Trust. Any married person signing this Deed of Trust agrees that recourse may be had against community assets and against his or her separate property for the satisfaction of all obligations contained herein.

4.12 Interpretation. In this Deed of Trust the singular shall include the plural and the masculine shall include the feminine and neuter and vice versa, if the context so requires.

4.13 Completion of Construction. This Deed of Trust is a construction deed of trust within the meaning of California Commercial Code § 9313. For purposes of subdivision (6) of that statute, "completion of construction" shall not be deemed to occur prior to completion of all work, and installation or incorporation into the Improvements of all materials, for which sums secured hereby are disbursed by Beneficiary.

4.14 Reconveyance by Trustee. Upon written request of Beneficiary stating that all sums secured hereby have been paid or that all obligations under the Regulatory Agreement have been satisfied, and upon surrender of this Deed of Trust and the Note to Trustee for cancellation and retention and upon payment by Trustor of Trustee's fees, Trustee shall reconvey to Trustor, or to the person or persons legally entitled thereto, without warranty, any portion of the Trust Estate then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in any reconveyance may be described as "the person or persons legally entitled thereto." Such grantee shall pay Trustee a reasonable fee and Trustee's costs incurred in so reconveying the Trust Estate.

4.15 Counterparts. This document may be executed and acknowledged in counterparts, all of which executed and acknowledged counterparts shall together constitute a single document. Signature and acknowledgment pages may be detached from the counterparts and attached to a single copy of this document to physically form one document, which may be recorded.

4.16 Nonforeign Entity. Section 1445 of the Internal Revenue Code of 1986, as amended ("Code") and Sections 18805, 18815 and 26131, as applicable, of the California Revenue and Taxation Code ("CRTC") provide that a transferee of a U.S. real property interest must withhold tax, in the case of the Code, if the transferor is a foreign person, or if, in the case of the CRTC, the transferor is not a California resident. To inform Beneficiary that the withholding of tax will not be required in the event of the disposition of the Property or the Improvements, or any portion thereof or interest therein, pursuant to the terms of this Deed of Trust, Trustor hereby certifies, under penalty of perjury, that: (a) Trustor is not a foreign corporation, foreign partnership, foreign trust or foreign estate, as those terms are defined in the Code and the regulations promulgated thereunder; and (b) Trustor's principal place of business is 9551 Pittsburgh Ave., Rancho Cucamonga, California 91730. It is understood that Beneficiary may disclose the contents of this certification to the Internal Revenue Service and the California Franchise Tax Board, and that any false statement contained herein could be punished by fine, imprisonment or both. Trustor covenants and agrees to execute such further certificates, which shall be signed under penalty of perjury, as Beneficiary shall reasonably require. The covenant set forth herein shall survive the foreclosure of the lien of this Deed of Trust or acceptance of a deed in lieu thereof.

4.17 Substitute Trustee. Beneficiary at any time and from time to time, by instrument in writing, may substitute and appoint a successor Trustee (either corporate or individual) to any Trustee named herein or previously substituted hereunder, which instrument when executed, acknowledged, and recorded in the Official Records of the Office of the Recorder of the county or counties where the Property is located shall be conclusive proof of the proper substitution and appointment of each successor trustee or trustees, who shall then have all the title, powers, duties and rights of the predecessor Trustee, without the necessity of any conveyance from such predecessor. Trustee shall not be obligated to notify any party hereto of pending sale under any other Deed of Trust, or, unless brought by Trustee, or any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party.

4.18 Fixture Filing. This Deed of Trust constitutes a financing statement filed as a fixture filing in the Official Records of the County Recorder in the county in which the Property is located with respect to any and all fixtures included within the term "Trust Estate" as used herein and with respect to any goods or other personal property that may now be or hereafter become such fixtures.

4.19 Waiver of Jury Trial. TO THE EXTENT PERMITTED BY APPLICABLE LAW, TRUSTOR AND BENEFICIARY EACH HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS UNDER THIS DEED OF TRUST OR ANY OTHER LOAN DOCUMENTS OR RELATING THERETO OR ARISING FROM THE RELATIONSHIP WHICH IS THE SUBJECT OF THE

AGREEMENT AND AGREES THAT ANY SUCH ACTION OR PROCEEDING SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY.

TRUSTOR ACKNOWLEDGES RECEIPT OF A TRUE COPY OF THIS DEED OF TRUST WITHOUT CHARGE.

TRUSTOR PLEASE NOTE: UPON THE OCCURRENCE OF AN EVENT OF DEFAULT, CALIFORNIA PROCEDURE PERMITS TRUSTEE TO SELL THE TRUST ESTATE AT A SALE HELD WITHOUT SUPERVISION BY ANY COURT AFTER EXPIRATION OF A PERIOD PRESCRIBED BY LAW. UNLESS YOU PROVIDE AN ADDRESS FOR THE GIVING OF NOTICE, YOU MAY NOT BE ENTITLED TO NOTICE OF THE COMMENCEMENT OF ANY SALE PROCEEDINGS. BY EXECUTION OF THIS DEED OF TRUST, YOU CONSENT TO SUCH PROCEDURE. BENEFICIARY URGES YOU TO GIVE PROMPT NOTICE OF ANY CHANGE IN YOUR ADDRESS SO THAT YOU MAY RECEIVE PROMPTLY ANY NOTICE GIVEN PURSUANT TO THIS DEED OF TRUST.

4.20 Request for Notice. Pursuant to California Government Code § 27321.4(b) Trustor hereby requests that a copy of any notice of default or notice of sale given under this Deed of Trust be mailed to Trustor at the address for Trustor set forth herein.

4.21 Reconveyance. Except upon the Event of Default by Trustor, Beneficiary shall reconvey this Deed of Trust upon termination of the Affordability Period as that term is defined in the Agreement.

4.22 Subordination. This Deed of Trust and the provisions contained herein shall be subordinate to any senior financing approved by Beneficiary in accordance with the Agreement.

The Property shall be maintained in good condition and in accordance with the custom and practice generally applicable to comparable first quality affordable apartment complexes in the City.

(2) Landscape maintenance shall include, but not be limited to: watering/irrigation; fertilization; mowing; edging; trimming of grass; tree and shrub pruning; trimming and shaping of trees and shrubs to maintain a healthy, natural appearance and safe road conditions and visibility, and irrigation coverage; replacement, as needed, of all plant materials; control of weeds in all planters, shrubs, lawns, ground covers, or other planted areas; and staking for support of trees.

The City agrees to notify the Developer in writing if the condition of the Property does not meet with the Maintenance Standards and to specify the deficiencies and the actions required to be taken by the Developer to cure the deficiencies. Upon notification of any maintenance deficiency, the Developer shall have thirty (30) calendar days within which to correct, remedy or cure the deficiency. If the written notification states the problem is urgent relating to the public health and safety of the City, then the Developer shall have forty-eight (48) hours to rectify the problem. In the event the Developer does not maintain the Property in the manner set forth herein and in accordance with the Maintenance Standards, the City shall have, in addition to any other rights and remedies hereunder, the right to maintain the Property, or to contract for the correction of such deficiencies, after written notice to the Developer, and the Developer shall be responsible for the payment of all such costs incurred by the City.

B. Management of the Project.

(1) Property Manager. The Developer shall cause the Project to be managed in a prudent and business-like manner, consistent with property management standards for other comparable first quality, well-managed rental housing projects in Riverside County, California. If the Developer contracts with a property management company or property manager to operate and maintain the Project ("Property Manager"), the selection and hiring of the Property Manager shall be subject to prior written approval of the City Manager, which approval shall not be unreasonably withheld provided that the Property Manager has prior experience with rental housing projects and properties comparable to the Project.

Prior to the initial or any subsequent disbursement of the HHAP Loan Proceeds (as defined in the HHAP Loan Agreement), the Developer shall prepare and submit to the City for review and approval an updated and supplemented management plan which includes a detailed plan and strategy for long term operation, maintenance, repair, security, social/supportive services for, and marketing of the Project, method of selection of tenants, rules and regulations for tenants, and other rental and operational policies for the Project ("Management Plan"). C. Capital Replacement Reserve Requirements. The Developer shall, or shall cause the Property Manager to set aside an amount equal to Two Hundred Fifty Dollars (\$250) per Unit per year ("Capital Replacement Reserve"), or as otherwise approved by the other lenders. Funds in the Capital Replacement Reserve shall be used for capital replacements to the Project fixtures

and equipment which are normally capitalized under generally accepted accounting principles. Interest on funds in the Capital Replacement Reserve shall remain in the Capital Replacement Reserve. The non-availability of funds in the Capital Replacement Reserve does not in any manner relieve the Developer of the obligation to undertake necessary capital repairs and improvements and to continue to maintain the Project in the manner prescribed herein. The City approval is not required for withdrawals from the Capital Replacement Reserve in accordance with this Regulatory Agreement. Not less than once per year, the Developer, at its expense, shall submit to the City an accounting for the Capital Replacement Reserve, preferably set forth in an annual financial statement, demonstrating compliance with this Section 3.C.

To the extent that a senior lender requires the Developer to maintain a separate reserve fund or account for any or all of the same purposes as the Capital Replacement Reserve, the City shall not require the Developer to establish or maintain the Capital Replacement Reserve, provided that the Developer actually deposits the amounts required by such senior lender into such reserve fund or account with the senior lender and provides all information and performs all acts required pursuant to this Section 3.C for the benefit of the City regarding such separate reserve fund or account maintained pursuant to the requirements of such senior lender, as though such account is the Capital Replacement Reserve.

D. Operating Reserve Requirements. The Developer shall not be required to maintain an operating reserve for this Project.

E. Operating Budget. The Developer shall submit to the City on not less than an annual basis the Operating Budget for the Project that sets forth the projected Operating Expenses for the upcoming year. Representatives of the City shall be entitled to enter the Property during normal business hours and upon at least forty-eight (48) hours' notice, to monitor compliance with this Regulatory Agreement, to inspect the records of the Project, and to conduct an independent audit or inspection of such records. The Developer agrees to cooperate with the City in making the Property and all HHAP-Assisted Units thereon available for such inspection or audit. The Developer agrees to maintain records in a businesslike manner, to make such records available to the City upon seventy-two (72) hours' notice, and to maintain such records for the entire Affordability Period.

If at any time the Developer fails to maintain the Property in accordance with this Section 3 and such condition is not corrected within seventy-two (72) hours after written notice from the City to the Developer with respect to graffiti, debris, waste material, and general maintenance, or sixty (60) days after written notice from the City with respect to

landscaping and building improvements with such additional time as may be reasonably necessary to diligently prosecute the cure to completion, then the City, in addition to whatever remedies it may have at law or at equity, shall have the right to enter upon the Property and perform all acts and work necessary to protect, maintain, and preserve the improvements and landscaped areas on the Property, and to attach a lien upon the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the City and/or costs of such cure, including a fifteen percent (15%) administrative charge, which amount shall be promptly paid by the Developer upon demand.

I. Damage and Destruction; Developer's Duty to Rebuild. If all or any portion of the Property and the improvements thereon is damaged or destroyed by fire or other casualty, it shall be the duty of the Developer to rebuild, repair or construct said portion of the Property and/or the improvements in a timely manner which will restore it to Riverside Municipal Code or Building Code compliance condition as approved by the City, but only to the extent of available insurance proceeds.

In furtherance of the requirements of this Section 3.I., the Developer shall keep the improvements on the Property insured by carriers at all times satisfactory to the City against loss by fire, rent loss and such other hazards, casualties, liabilities and contingencies as included within an all risk extended coverage hazard insurance policy as required by the HHAP Loan Agreement. In the event of loss, the Developer shall give prompt notice to the insurance carrier and the City.

If the Property is abandoned by the Developer, or if the Developer fails to respond to the City within thirty (30) calendar days from the date notice is mailed by the City to the Developer that the insurance carrier offers to settle a claim for insurance benefits, the City is authorized to collect and apply the insurance proceeds at its option either to restoration or repair of the Property.

J. Time Limitation. Upon damage to the Property or the improvements thereon, the Developer shall be obligated to proceed with all due diligence hereunder and commence reconstruction within two (2) months after the receipt of insurance proceeds and complete reconstruction within a term deemed acceptable by the parties after damage occurs, or if appropriate, to demolition and vacation of the Property within two (2) months, unless prevented by causes beyond its reasonable control.

The City makes the HHAP Loan on the condition, and in consideration of, this provision, and would not do so otherwise.

B. Covenants to Run with the Land. The City and the Developer hereby declare their express intent that the covenants and restrictions set forth in this Regulatory Agreement shall run with the land, and shall bind all successors to the Developer. Each and every contract, deed or other instrument hereafter executed covering or conveying an interest in the Property or any portion thereof shall be held conclusively to have been executed, delivered and accepted subject to such covenants and restrictions, regardless of whether such covenants or restrictions are set forth in such contract, deed or other instrument, unless the City expressly releases such conveyed portion of the Property from the requirements of this Regulatory Agreement.
