BACKGROUND

Regional Coordination Near March ARB

- March Air Reserve Base borders Riverside, Moreno Valley, Perris, and Riverside County.
- The Airport Land Use Compatibility Plan (ALUCP) guides safe, compatible development around the base.
- The Riverside County Airport Land Use Commission (RCALUC) oversees these plans for all airports countywide.

WHY AN AMENDMENT IS NEEDED

Driven by 2018 Air Force Study

- U.S. Air Force issued updated Air Installation Compatibility Use Zone Study in 2018
- The study refines safety and noise zones and reaffirms continued use of Runway 12/30
- State law requires the Airport Land Use Compatibility Plan to align with current Air Force data
