HISTORY OF THE PROJECT

Date	Action
1980s to 2017	Eight previous, unsuccessful attempts were made to redesign, expand, or relocate the Museum to address facility deficiencies.
September 2017	The downtown site was closed to the public to relocate the collections and begin planning a renovation and expansion of 3580 Mission Inn Avenue.
August – December 2018	Request for Proposals (RFP) No. 1851 was issued for Phase I architectural design services, followed by interviews with eight short-listed firms.
April 23, 2019	City Council approved an agreement for Phase I conceptual design services with Pfeiffer Partners, Los Angeles
March 2020 – September 2022	The project was placed on pause due to the pandemic and City financial challenges.
September 2022	City Council approved an agreement with Pfeiffer, a Perkins Eastman Studio, to complete architectural design for the main Museum. A reimbursement resolution for \$35 million was approved at this time.
June 2024	A pre-qualification process occurred for a general contractor, resulting in a panel of three firms.
December 2024	Bid No. 8144 for Museum of Riverside Rehabilitation and Expansion was released.
February 11, 2025	Bids were received on Bid No. 8144.

BID RESULTS

On February 11, 2025, the City received bids from three pre-qualified contractors.

A protest received resulted in the low bidder being deemed nonresponsive.

Construction company	Location	Bid
BNBuilders	Irvine, California	\$28,552,072
Clark Construction Group-California, LP	Costa Mesa, California	\$27,899,909
Swinerton Builders	Santa Ana, California	\$31,297,532

ANALYSIS OF BIDS

1. The City of Riverside Purchasing Division determined that all bids were responsive and recommended to award Bid No. 8144 to low bidder Clark Construction Group-California, LP.

2. A protest received on February 21, 2025, was analyzed and determined to be valid. As a result, the City of Riverside Purchasing Division determined to recommend award Bid No. 8144 to BNBuilders, of Irvine, California.

3. Upon issuance of the Notice to Proceed, the contractor will have two years (730 calendar days) to complete construction.
