## **7. BOARD MEMBER COMMENTS**

### **A. Opportunity for Board Members to bring up informational items or request that an item be added to a future Board Agenda.**

Ms. Samra stated that Burbank Water & Power was awarded the CEC grant for Magnolia enhancements to allow the project to reduce emissions and operate more efficiently. She noted that the approval process was challenging, with 20 interveners—predominantly from a single utility service territory—expressing opposition. She requested advance notice in the future of potential intervenors in the project. She emphasized that the Magnolia project is one of the most efficient resources in the state and thanked her team for their efforts in completing it.

## **8. ADJOURNMENT**

Mr. Dusenberry adjourned the meeting at 11:00 a.m.

Respectfully Submitted,
