#### **BACKGROUND**:

The City Sponsorship Program (Program) provides local non-profit organizations with the opportunity to apply for city funds and/or in-kind services twice each fiscal year. The July 31 deadline covers applications for charitable and community events and meetings for the following January 1 – June 30 funding cycle. The January 31 deadline covers applications for charitable and community events and meetings for July – December.

Individual organizations were notified of the process via e-mail notifications in May and June, prior to the July 31, 2025, deadline, and Staff led a Sponsorship 101 webinar in June 2025. The City Sponsorship Program Agreement, Guidelines, and processes are posted on the City's website and included as Attachment 1.

The Program is administered by the Parks, Recreation and Community Services Department and the application review process begins with the Arts & Cultural Affairs Division, now located in the Parks, Recreation and Community Services Department. Staff reviews applications for eligibility, then forwards the requests to the appropriate City Departments and compiles the subsequent recommendations. Following Council Committee approval, the Council Committee reports to the full City Council for final approval.

### **DISCUSSION:**

### City Sponsorship

The sponsorship applications were evaluated by various City departments, based on each organization's ability to create or enhance the events and programs. Other factors that were considered include projected attendance, event/organization history, event budget, City Sponsorship history, and location of project in an underrepresented ward (rubric on page 3).

Forty-two (42) local, non-profit organizations have applied for monetary and/or in-kind sponsorship during the current application process for events to be produced from January 1 – June 30, 2026, and forty-one (41) organizations are recommended as sponsorship recipients (Attachment 2). A component of the recommendations for sponsorship includes in-kind sponsorship awards from the Fire Department; Police Department; Parks, Recreation and Community Services Department (PRCSD); and Riverside Public Utilities.

New applicants for this funding cycle are: Foster Army Animal Rescue, Quilts of Valor, U.S. VETS Inland Empire, Vitality Department Foundation, Inc., The Life Church – Outreach, UCR Society of Women Engineers. Brief summaries of all applicants' mission statements are included with this report (Attachment 3).

The events and projects recommended for funding play an integral role in the quality of life of our City. Total projected attendance for these efforts is estimated by the organizers at 129,110, representing and serving every age group and a broad cross-section of the City's people and pets. Included in these projects are programs promoting literacy, health, and fitness; opportunities for youth to express themselves creatively; celebrations of history, culture, and identity; and a motorcycle ride honoring our country's military veterans.
