SUCCESS STORIES

Please join me in congratulating Mr. Antonio Harris-Davenport & Welcoming him home. Veteran Harris-Davenport is a familiar face to many of our service providers and unhoused community. He recently completed 60 days of residential treatment at Whiteside Manor Inc. in Riverside which was a very big goal for Antonio. Although an even bigger goal was to finally have a place to call home. We are happy to announce he has that and much more. Veteran Harris-Davenport would like to thank the village of people that have assisted him along the way. He looks forward to the continued support as he chooses his dreams of finding a career where he can be of service to help others who are going through the same battles he once faced. Antonio, City of Riverside OHS is so proud of you. Congrats & Welcome HOME!
