## **BACKGROUND**

1. Riverside City Charter Section 1202(b) requires that the Board of Public Utilities (Board) approve all expenditures in excess of \$50,000.
2. Purchasing Resolution No. 24101 (Purchasing Resolution) Section 404 entitled "Utilities Exception" recognizes that there are certain supplies and materials which are "peculiar to the needs" of the City's Public Utilities Department (RPU) and may be acquired through an open market procurement process, so long as the expenditures have been approved by the Board.

## DISCUSSION

1. Informal bids apply to either purchases of goods and services of \$50,000 or less and purchases of any amount falling under the Purchasing Resolution Section 404 for Utilities Exception, which have no monetary cap.
2. Informal bids mean that the City receives a minimum of three price quotes from vendors outside of the formal procurement process and may negotiate terms, conditions, and pricing with the vendors via email, phone call or eProcurement platform (PlanetBids.)

## DISCUSSION CONT.

3. Formal bids apply to all other purchases over \$50,000 and conducted online through PlanetBids.
4. The competitive bid process for goods and services may be waived for various reasons, and including availability from a sole source, "following on" another governmental contract, when it is in the best interest of the City to do so or for other reasons as set forth in the City's purchasing rules.
