

Commission on Disabilities

2026 Annual Work plan

Mission

The mission of the Commission on Disabilities is to promote greater awareness of, respect for, and total participation of individuals with disabilities into all aspects of life.

- 1. Invite speakers from various community organizations to present the services and resources that their organization provides for the disabled community.**
- 2. Invite various City departments to present on topics of interest to the Commission on Disabilities to facilitate conversations and promote City programs that serve the disabled community such as Riverside Connect.**
- 3. Engage with the community members to identify barriers that are faced and formulate possible resolutions.**
- 4. Create an outreach plan for the Commission on Disabilities to ensure that the disabled community is aware of the resources and support that is available.**
- 5. Tour various City facilities, parks, and outdoor attractions to ensure accessibility.**
