Thank you, Robyn I have reviewed the resolution, and CEDD's responsibility to assure that the Harada is maintained and rehabilitated with the Secretary of the Interior Standards.

Jennifer, with your agreement, I believe CEDD provide concurrence with the resolution.

Subject: Requesting concurrence - Harada House resolution

Attached please find a document going to City Council shortly regarding our ongoing duty of care for the National Historic Landmark Harada House. It is a resolution that satisfies a deliverable for a federal grant supporting Harada House from the National Park Service. The document describes inspection obligations to be performed by the Community and Economic Development Department. I am requesting your concurrence.

Thank you in advance.
