The Property is more particularly described in the legal description attached hereto as Exhibit "A" and incorporated herein by this reference.

B. The Applicant has applied to the City for certain development approvals for the Property under Planning Case No. PC-2025-00085, consisting of a proposal to _____ on the Property ("Project").

C. As a condition of approval to Planning Case No. PC-2025-00085, the City has required that the Applicant execute this Agreement, to defend, indemnify, including reimbursement, and hold harmless the City, its agents, officers and employees from any claim, action, or proceeding against the City, its agents, officers or employees, to attack, void or annul an approval by the City's advisory agency, appeal board, or legislative body concerning the Project.

NOW, THEREFORE, in accordance with the recitals set forth above and as consideration for the approval of development entitlements stated herein, the City and Applicant agree as follows:

1. Incorporation of Recitals. The parties agree that the Recitals constitute the factual basis upon which the City and the Applicant have entered into this Agreement. The City and the Applicant each acknowledge the accuracy of the Recitals and agree that the Recitals are incorporated into this Agreement as though fully set forth at length.

2. Term. The term of this Agreement commences upon approval of Planning Case No. PC-2025-00085 and shall terminate one year after the satisfaction of all required conditions under said Planning Case or upon the expiration of any statute of limitations to challenge the Project, whichever is later.

3. Indemnification. The Applicant agrees to indemnify and hold harmless the City, its agents, officers, council members, employees, boards, commissions and their members and the City Council from any claim, action or proceeding brought against any of the foregoing individuals or entities, the purpose of such litigation being to attack, set aside, void or annul any approval of the Project or any related decision, or the adoption of any California Environmental Quality Act Documents or any other environmental documents which relate to the Project. 8. Nonwaiver of Rights or Remedies. The failure of the City to exercise any right or remedies available to it pursuant to this Agreement shall not constitute a waiver of that party's right to enforce that right or to seek that remedy in the future. No course of conduct or act of forbearance on any one or more occasions by any party to this Agreement shall preclude that party from asserting any right or remedy available to it in the future. No course of conduct or act of forbearance on any one or more occasions shall be deemed to be an implied modification of the terms of this Agreement.

The City shall retain sole and absolute discretion on whether or not it will defend any action filed which challenges the Project, or whether it will take any other course of action on the Project. The Applicant may, however, in its sole and absolute discretion, appear as real party in interest in any third-party action or proceeding, and in such event, the City may defend such action or proceedings at City's sole and absolute discretion. This City shall have the absolute right to retain such legal counsel as the City deems necessary and appropriate to represent its interests.

13. Attorneys' Fees. In the event that any action or proceeding, including arbitration, is commenced by either the City or the Applicant against the other to establish the validity of this Agreement or to enforce any one or more of its terms, each party shall bear their own attorney's fees.

14. Jurisdiction and Venue. This Agreement is executed and is to be performed in the City of Riverside, Riverside County, California, and any action or proceeding brought relative to this Agreement shall be heard in the Riverside County Superior Court, and the parties hereby waive all provisions of law providing for a change of venue in such proceedings to any other county.

15. Headings. The headings of each Section of the Agreement are for the purposes of convenience only and shall not be construed to either expand or limit the express terms and language of each Section.

16. Representations of Authority. Each party signing this Agreement on behalf of a party which is not a natural person hereby represents and warrants that all necessary legal prerequisites to that party's execution of this Agreement have been satisfied and that he or she has been authorized to sign this Agreement and bind the party on whose behalf he or she signs.

IN WITNESS WHEREOF, the Applicant has caused this Indemnification Agreement to be executed the date first written above.
