## WESTSIDE RFP

- The westside of Riverside Municipal Airport consists of +/- 18 acres of undeveloped land.
- Although a developer had initiated development of this property in 2007/2008, the recession caused irrecoverable financial difficulties for the developer and the project was never completed.
- At present, the property is vacant and undeveloped. Yet, Riverside Municipal Airport continues to have 100% occupancy of aircraft hangars and a hangar waiting list.
