

Transforming Disability Services, One Connection At A Time

www.meethomies.com

1

The Vision

Using technology to transform disability services, one connection at a time.

A Unique Experience

- » We connect individuals with a disability with a compatible supportive roommate who can provide a designated level of service.
- » Marketplace connecting and benefiting disabled individuals, caregivers, communities, and state governments.
- » 100 Successful Connections in a 3 year pilot in Minnesota and currently expanding services to California

Intro

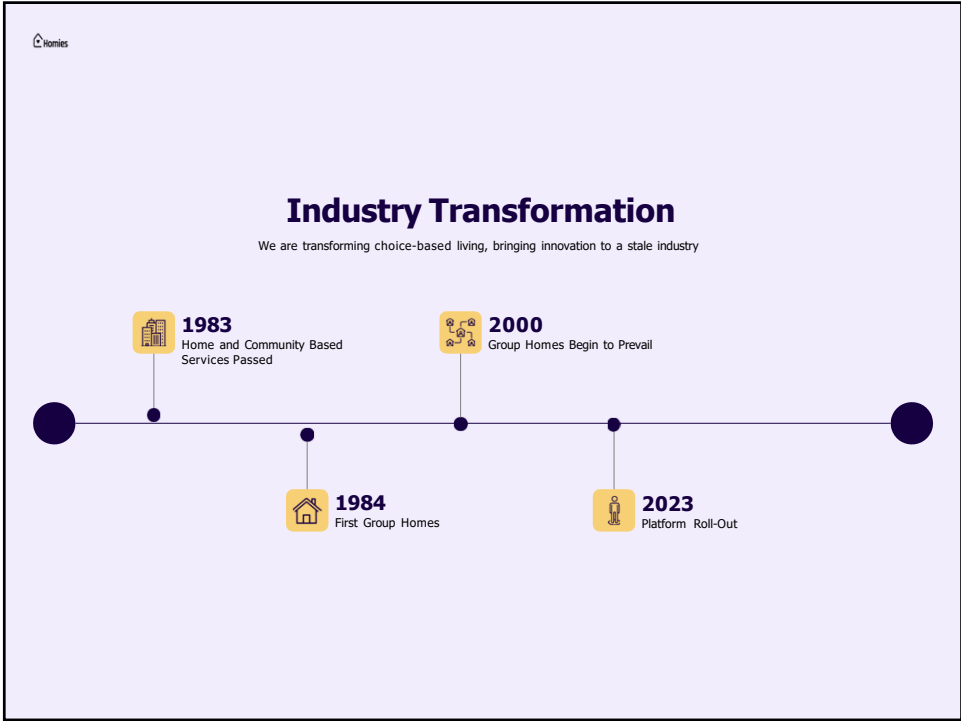

- » Who are we? What is our mission?
- » Pilot program in Los Angeles, California

Who Can Be A Supportive Roommate?

01. Friend
02. Neighbor
03. Co-worker
04. Family Member - brother, sister, cousin, etc.
05. Former or Current Staff
06. Someone from your school or University
07. Someone from your place of worship
08. Someone that has a job during the day and wants to be roommate in the evening
09. ***Safety: With all our potential roommates, we will be doing a verification to confirm identity and background checks to ensure the safety of all parties

11

 Homies

Experience

Leverage technology that uses smart algorithms to help those find great connections

Connecting

Create a detailed profile, connect with individuals who have similar interest & hobbies, meet virtually & in person

Compatibility Analysis

The care team determines if this is a compatible connection and completes a security background check

Finalize Housing

Homies team can assist in locating housing options and ensuring housing is up to local disability service code

Intake

Orientation and training session with experience managers to ensure a smooth move in process

Move In

Community integration and improved quality of life
