My name is Savannah Hill, and I was recently denied a Drivers Permit for vehicle for hire, Due to a previous DUI i got back in july of 2018. First I would like to apologize for my reckless behavior. I understand that I could have took not only my own lives but others as well. I was going through a lot I had recently loss my son father and my baby sister and was just being stupid trying to cope and I know that, that was not the way I learn alot while taking the AA classes even having to do work release while still having to make a living for myself and 3 children at the time it was a struggle and defnately taught me a lesson. I believe I was 33 years old I am now 41 as ~~am~~ of April 6th I know better now not that I didnt then I just made a mistake that I will never make again. I am now a mother of 4 children ages 22, 20, 13 and 5. I like my new job and I am really just trying to provide for myself and my little ones so if you can fund it in your breast to recon- sider your decision I guarantee you you wont regret it Thank you
