three contiguous parcels developed with single family residences, located at 3605, 3619, and 3631 Van Buren Boulevard, situated on the northeast corner of Van Buren Boulevard and Andrew Street, in the CR-SP - Commercial Retail and Specific Plan (Magnolia Avenue) Overlay Zones, in Ward 5. The Planning Division of the Community & Economic Development Department determined the proposal exempt from the California Environmental Quality Act (CEQA) review pursuant to Sections 15303 (New Construction or Conversion of Small Structures) and 15332 (In-Fill Development Projects) of the CEQA Guidelines, as the project will not have a significant effect on the environment. One person spoke regarding the matter. The public hearing was officially closed.

Following discussion, it was moved by Vice Chair Mooney and seconded by Commissioner Wilson to (1) determine that the project is exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15303 (New Construction or Conversion of Small Structures) and 15332 (In-Fill Development Projects) of the CEQA Guidelines, as the project will not have a significant effect on the environment; and (2) approve Planning Case PR-2022-001338 (Conditional Use Permit and Design Review) based on the findings outlined in the staff report and summarized in the findings and subject to the recommended conditions as Exhibits 1 and 2 of the staff report with the revisions to conditions 13a and 22 to read as follows:

Condition 13a. Provide Leyland Cypress Trees along the north and east property lines, to the satisfaction of staff. Along the north property line, the trees shall be planted starting at 55 feet from the ultimate right-of-way of Van Buren Boulevard and continue the length of the bio-retention basin. The trees shall be planted at 6 to 8 feet on center and be a minimum height of 6 feet, at time of planting.

Condition 22. Prior to issuance of occupancy permit, applicant shall conduct a post-construction noise survey to verify compliance with the operational noise set forth in the project specific Noise Study, dated December 5, 2023. Should the operational noise not comply, the applicant shall implement additional measures to reduce the noise as recommended by the post-construction noise study.

The motion carried with Commissioners Wilder, Mooney, Singh, Wilson, Elizalde, and Rush, voting aye, Commissioner Parker voting no, and Commissioner Kirby absent.
