To whom it may concern,

I Dana Crosby wish to appeal the decision made for my license. I failed to answer questions correctly because I didn't understand the question entirely. I've had several arrest over the years but I wasn't convicted for over half of them.

I was convicted of Misdemeanor Assault and instrument of a crime.

It's very difficult to remember everything I was arrested for because a lot of them did not lead to convictions. I apologize again for seeming misleading.

Please try to understand. The accident on my report, I was not arrested for. Thank you for reviewing my issue again

Dana Crosby.
