WHEREAS, current solid waste collection services are provided through a combination of City staff and franchise agreements; and

WHEREAS, commercial collection service is provided through non-exclusive agreements with Burrtec Waste Industries, Arakelian Enterprises dba Athens Services, and CR&R Environmental Services (“Commercial Contractors”). These agreements have been in place since 2001 and are set to expire on June 30, 2023; and

11 Services for residential and commercial collection services for a five-year term with options to
12 extend annually up to 15 years total, through June 30, 2028; and

13 WHEREAS, Public Resources Code section 49520 provides that certain existing solid
14 waste handling service providers may provide their services for a period of up-to five years
15 following notice of the City’s determination to transition to an exclusive waste service

12 agreements with the City.

13 Section 5: The Commercial Contractor's right to provide continuation services shall be for
14 a period of five years ending June 30, 2028.
